REPORT OF EXECUTIVE COMMITTEE

The Executive Committee of the Chowan Baptist Association held its four regular meetings during the year. The Executive Committee elected three sub-committees from its membership: the Missions Advisory Committee, the Finance Committee and the Calendar Committee.

The Committees of the Executive Committee were duly elected and organized. These committees gave their reports at the regular meetings.

Pastoral aid for the following churches were approved:

(1) Kitty Hawk Chapel	$825.00
(2) Rose Bay	$528.00
(3) Sladesville	$528.00

We are encouraged concerning the work both at the Kitty Hawk Chapel and Camp Cale. Parking facilities will be much better for next year at Kitty Hawk. Camp Cale had the best year yet with campers doubling last year's attendance.

The Missions Advisory Committee investigated the possibility of starting a new work in a trailer park near Moyock. This inquiry is a cooperative effort with the Moyock Baptist Church. Plans are still being discussed and it is hoped that new work can be established.

Mr. John Elliott presented the budget for 1971-1972. This budget was approved and is submitted for your approval.

We have had a good year characterized by Christian unity and service. We are trusting that the days ahead will be good days for the Lord's work.

Respectfully submitted,
George H. Cooke, Moderator

13. John M. Elliott, Associational Treasurer, gave his financial report and moved its adoption. The motion was seconded and carried.

The moving of sand was undermining the chapel building. The Committee had clay packed under the foundations and placed around the building. This should take care of this problem for many years.

There were constant reports that people were kept from the Chapel because of lack of parking space. The Committee with the help of Mr. E. L. Hollowell of Edenton has had a large area covered with clay. It is hoped that this will be covered with asphalt next season. This will take care of the parking and increased attendance.

II. Circus Tent Ministry - The Chowan Baptist Association again cooperated with other Denominations in operating the Circus Tent Ministry at the Nags Head Beach. The purposes of this program were to provide young people and adults a clean and wholesome place to congregate and purchase refreshments. Folk music and an opportunity for Christian dialogue with Christian leaders were provided. The Baptists were very ably represented by Miss Anna Beth Swain, a very talented and dedicated Christian college student from Greensboro.

III. Movies - The Chowan Baptist Association again cooperated in the showing of movies. Religious movies, movies to promote good morals and clean living were shown every Sunday and Monday nights at the Circus Tent, by the Dare County Ministerial Association. In previous years these movies have been shown on the beach near the Old Coast Guard Station.

IV. Northwest Mission Project - A trailer court with more than 150 units has been established in Currituck County near Northwest, Virginia. It is expected that 5000 house trailers will eventually be situated in this project.

The Committee has visited the project, talked and planned with the management

and with the pastor of Moyock Baptist Church. The committee has offered the full cooperation of the Chowan Baptist Association to the Moyock Baptist Church in helping to provide opportunities for worship to the inhabitants of the Northwest project.

V. The Association Office - The Chowan Baptist Association is fortunate to have Mrs. Glenn Lane to serve as our associational secretary. Mrs. Lane has done an excellent job of carrying on the promotional programs of the Association. The Missions Advisory Committee extends its heartfelt thanks to Mrs. Lane for doing this great work.

EVANGELISM COMMITTEE REPORT

All Christians need to thank God the renewed interest among youth in evangelism. This was evident during the Youth Evangelism Night this past February 2nd when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. 1,519 decisions were made by these youth. Also many youth in

churches across our state are involved in witnessing for Christ in unique ways.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on lay witnessing and the one week Lay Evangelism Schools. Over twenty-five associations have already started specific planning toward a one week Lay Evangelism School in their area. The first Lay Evangelism School sponsored by the Division of Evangelism will be November 1-7 in the Mecklenburg Association. Other one week dates have already been confirmed in several associations. Plans are being made now for our association to have Schools of Lay Evangelism. The tentative date for this effort is April 17-23, 1972. We are excited about the emphasis on year-round evangelism that is presented in the "WIN" Material.

Jesus reminded all Christian laymen of our task in Luke 24:48 - "And ye are witnesses of these things." Thousands of laymen and youth will respond if they are properly challenged and trained.

The Division of Evangelism in cooperation with our Brotherhood Department and the N.C. United Methodist Conference will sponsor four Regional Evangelism Conferences for Baptist and Methodist men during October 18-19 and 21-22, 1971 across the state. Lay evangelism will be the emphasis of these evening meetings. Dr. Ben Johnson of Atlanta, Georgia who has assisted Dr. Billy Graham and Dr. Ken Chafin in several conferences, and Dr. Ralph Neighbour of Houston, Texas will be the two main speakers. Rev. Bob Gibbons will be the guest soloist. Laymen will preside, share personal testimonies and have the Scripture and Prayer.

The 26th Statewide Evangelism Conference will be February 7-9, 1972 at the Cumberland County Memorial Auditorium in Fayetteville.

The next Statewide Youth Evangelism Night will be on Friday evening, August 18, 1972 at Greensboro Coliseum.

Remember to pray earnestly for the non-Christians in North Carolina and around the world that through our efforts together the Holy Spirit may lead many persons to commit their lives to Jesus Christ.

40. Billy Jackson brought the Camp Council report and moved its adoption. The motion was seconded and approved.

CAMP COUNCIL

The Camp Cale Council met Feb. 16, 1971, at the Hertford Baptist Church to formulate plans for Camp Cale. On June 19, a cook-out meeting at Camp Cale was held to propose plans to be passed upon August 14th, at a supper meeting. These three meetings produced plans for the next ten to fifteen years in Development, not to mention the week by week plans. Plans can only materialize by the hard work of a good council and staff.

Success is measured partly by attendance. Two hundred and three resident campers enjoyed the seven weeks, while three hundred and thirty-nine day campers enjoyed one week, as it was planned and directed by a paid staff of six wonderful young people, who were aided by a fine kitchen staff. In addition to the seven weeks of regular camp, approximately two thousand attend through church picnics, retreats and other outings.

Development consists of clearing a two-acre play area for softball, tennis and volleyball courts and other games. Three hogans were built: one for girl counselors, one for Pastor of the week and one for tools and equipment. The most popular piece of equipment is a curved water slide, and springboard.

Next Spring we plan to bulkhead about half of the water front and complete it the next year. Also, to further develop the play area a caretaker's house is planned for 1974. The Council feels that this portion of the master plan is urgently needed, as it will help protect our camp. Also, we can then have the property insured.

We wish to express our appreciation to the Perquimans County W.M.U., Chowan Baptist Association W.M.U., Calvary and Geneva churches for special cash gifts to Camp Cale. We also wish to say "Thanks" for two refrigerators from two fine Methodist men of our area. Most of all, we thank you for Camp Cale. You cannot know the value of it until you have seen it in action. Camp Cale is dedicated to God; that it may be an instrument to help young people to better understand His will in their lives.

Respectfully submitted,
Billy Jackson,
Camp Council Chairman

41. Robert Poole gave the report of Church Training and moved its adoption. The motion was seconded and approved.

CHURCH TRAINING

The Associational Church Training Ministry sponsored two major events during the year.

First, the Annual Associational "M" night service was held on December 7, 1970, at the Hertford Baptist Church with approximately two hundred in attendance. Rev. J.

William Hall of Fredericksburg, Va., was the featured speaker.

Second, the Associational Youth night service was held on Saturday evening, March 20,1971, at the Corinth Baptist Church with Mr. Charles Wiggs of Smithfield, N. C., who is Hospital Administrator of our Baptist Hospital in Pusan, South Korea as guest speaker.

Over three hundred young people and adults were in attendance. The Youth Choir of The Edenton Baptist Church provided the special music.

Interim Church Training Director

42. Thomas A. Clarke, Jr. gave the Sunday School report which was approved by the Association.

SUNDAY SCHOOL

The Sunday School year opened with a State Vacation Bible School clinic at Wingate College in January. Three representatives of this Association attended.

The Associational Vacation Bible School Clinics were held on April 6th at Rocky Hock Baptist Church with 78 in attendance, and on April 7th at Corinth Baptist Church with 115 in attendance and 35 of the 56 churches of the Association having representatives at the clinics. The Associational Clinic had 5 State Approved workers from outside the Association assisting in these clinics. We wish to express our appreciation to the host churches for their hospitality and assistance in these clinics.

As the year closes we wish to call your attention to the challenge that is ever before the Sunday School which is the effective teaching of the Word of God. The Sunday School needs to continually examine the effectiveness of its ministry, seeking always to motivate, train and equip its teachers to share the Good News with the lost of our communities and to help Christians to grow toward maturity.

In keeping with this task, the Sunday School board has developed a visual aid called Teach-O-Graph for the Children's Division and this is now available in the Baptist Book Store. We also recommend all teachers be provided the basic resource materials needed to be an effective teacher; one of which most often overlooked is the Sunday School Lesson Commentary which is also available from the Baptist Book Store.

43. Glenn Greenway gave the Brotherhood Report for Fahey Harrell. The report was received and adopted.

BROTHERHOOD REPORT

It seems but a short time when I accepted this job as Associational Brotherhood Director, but three years have passed. There have been joyous occasions as I look back over these years, but there have been disappointing ones, also.

It is wonderful to see seven thousand men and boys under one roof, assembled to hear the Word of God as you do at the Men and Boys Convention held each year.

It is joyous to witness 1,000 Christian athletes entered into competition with one another as you do at the State Track Meet each year.

It is wonderful to see the R. A.'s throughout our own Association enjoying our own Associational camp at Camp Cale and the leaders working with them.

On the other hand, it is disappointing to schedule meetings, workshops and other

associational events and have only a handful of workers attend.

It is disappointing when the pastors of the churches in our Association do not respond to the needs of the boys and men in their churches by organizing R. A. and Men's Fellowship organizations. It is equally as disappointing to see the men in our association not responding to the needs of leadership so badly needed by most churches in Brotherhood work.

But I am thankful that I have shared and been a part of each of these joys, frustrations and disappointments. I feel I have gained more than any other individual.

On April 24, we held an Associational RA track meet at Elizabeth City. There was very good participation from many churches throughout our Association.

On May 7th and 8th the State R.A. Track meet was held at Wake Forest University. The winners from each association in North Carolina participated. Chowan Association was well represented. More detailed results of the track meet will be reported in the Chowan Baptist Bulletin.

One of the highlights of this year was day camp at Camp Cale for the R. A.'s. There were 96 boys and workers in attendance.

On August 28 an Associational R.A. Cookout was held at Camp Cale. There were approximately 50 boys present. Swimming and refreshments were enjoyed by all.

In closing this report I would like to urge each of you as mothers, fathers, pastors, laymen and friends to do your part in supporting the Brotherhood functions of your church. Thank you.

44. Mrs. Cecil Basnight gave the report of the W.M.U. and moved its adoption. The motion was seconded and approved.

WOMAN'S MISSIONARY UNION

For several years now we have been hearing that the W.M.U. is dying. Well, I am here to say to you today that we are not dead or dying. We did lose a little dead wood but we are moving again. We lost sight of our tasks for a little while mainly because the word "change" scared everyone so.

We are involved in the same things we always were, that being Missions. We observed the weeks of prayer for Foreign and Home Missions. We received the special offering for State Missions and Heck Jones - Munda Vista with three churches 100%. This means they gave $1.00 per member for all age level organizations. They are: 1. Rehoboth. 2. Eureka. 3. Elizabeth City, First.

In April the W.M.U. Annual session met with the Hertford Baptist Church in an afternoon and night session. We feel this was very successful.

The W.M.U. Council members attended the State Workshop for Associational leaders at Camp Mundo-Vista.

In August, two of us attended W.M.U. week at Ridgecrest.

I cannot look back without looking ahead and I really believe that we have started to take Christ out of the four walls of the church and moved out to where the needs are. I have seen you ladies just in the last week take part in a mission action project that showed love and concern for others.

If you like excitement and adventure and you are willing to take a chance - a chance that your whole life will be changed then get involved in mission action. As you become involved you will see your Baptist women's groups come alive but be prepared for the change in your own life.

Respectfully submitted,
Mrs. Cecil Basnight
W.M.U. Director

45. Rev. and Mrs. Robert Gray brought special music at this time.

46. William Carter brought the message "What Mean these stones?"

47. Following the message Rev. Carter pronounced the benediction and gave thanksgiving for the noon meal.

WEDNESDAY AFTERNOON

48. The afternoon session was opened by the congregation singing "Standing on the Promises."

49. Leslie Bruce read the scripture Psalm 37:1-9 and led in prayer.

50. Roland Pruitt continued in the Bible Study.

51. Robert Gray read the report of the Committee on Resolutions and moved its adoption. The motion was seconded and carried.

RESOLUTIONS

Be it therefore resolved that:

We, the messengers of the one hundred sixty-sixth annual meeting of the Chowan Baptist Association:

2. That we further express appreciation to the several committees who have served well the Chowan Baptist Association both preceding and during this annual session.

3. That we further express appreciation to the program committee and program personalities for a stimulating, informative and inspirational annual meeting.

PRELIMINARY REMARKS

Our moderator has just recognized two of the pastors of this Association who stood at the brink of death during the past year and by God's grace stand now with us in a vigorous ministry. I have just come from the Norfolk General Hospital where one of the finest Christian ladies of our church has been told that she has cancer.

We are constantly reminded that we stand ever in the presence of life and death -- and resurrection. The church, like her Master stands ever in the presence of life and death. The church, ever dying, is reborn again and again through resurrection to newness of life.

THE CHURCH IN THE FIRST CENTURY AND THE CHURCH IN THE TWENTIETH CENTURY

Dr. R.W. Kicklighter

Either half of the title of this address would be more than adequate for the time allotted. One might examine a small church in thirty minutes but I wish to speak of a large church--the one to which Paul refers in the book of EPHESIANS when he repeatedly calls the church "the body of Christ." In this book we find the most exalted concept of the church in the New Testament. It is this "glorious" church, "without spot or wrinkle" (Eph. 5:27) which challenges the church of the Twentieth Century.

A study of the church in the New Testament is an urgent consideration for our times. The term "church in crisis," or similar phrases, may be heard on every hand. Funeral dirges are played for the predicted death of the church. Historical misinterpretations and ecclesiastical conflicts have obscured the true nature of the church. If for no other reason, the unfinished task of Christian mission, the evangelizing of the world, and the ineffectiveness of the church in society calls for a re-examination of the purpose of God for the church as revealed in the Bible.

A Baptist pastor and an Episcopal minister played golf together and became very good friends. One day the Episcopal minister said, "Since I don't have Sunday night services I will come over some Sunday night and hear you preach." The pleased Baptist preacher said, "Fine." So one Sunday night the Episcopal minister showed up dressed in his clerical collar and black suit. It just so happened that he had selected the Sunday night when this church was observing the Lord's Supper and this was one of those Baptist Churches which practiced closed Communion. The ordained Episcopal minister was not eligible to participate because of a faulty baptism. The deacons serving the bread and the wine refused to offer the elements to one in a reversed collar who was obviously not a bona fide Baptist.

After the service the Baptist minister apologized to his Episcopal friend. "I hope you weren't embarrassed," he said, "but after all, you must understand that according to the teachings of our church you haven't been baptized."

The Episcopal minister replied, "Think nothing of it. If they had offered me the bread and wine I would have had to refuse it. For you must understand that according to the teachings of our church, you haven't been ordained."

The church in the New Testament might engage in controversy over the admission of Gentiles to the fellowship of believers (without circumcision) but it was too involved with becoming "the body of Christ" to become lost in many of the denominational differences which occupy our time, interests and energies. Too often historical misinterpretations and ecclesiastical conflicts have obscured the true nature of the church.

The church in the New Testament presents a rather strange picture to us who have grown up in the Twentieth Century Institutional Church. They had no beautiful building (with stained glass windows) in which to worship. They met in private homes, on river banks and in brush arbors. They had no formal organization. There was no Sun-

day School, no Training Union, no W.M.U., no organized Brotherhood, or no stated hour for worship. They met when they could and where they could. They had no New Testament--just the Old Testament. They had no creed but Christ. There were not so much a structure as a living organism.

Some of these churches would have found it almost impossible to have their messengers seated in a Baptist Association or Convention.

As we approach a study of the church in the New Testament we will look in vain for an explicit definition of the church or for a detailed description of it as an institution organized along the lines of denomination-type structures of the Twentieth Century. Rather, we find a living organism, breathing the breath of Christ, moved by the Holy Spirit, and receiving fresh revelation in life and development. It is this life and spirit of the church which we seek today, that the impact of the church in the Twentieth Century might be as it was in the First Century. In the First Century the Holy Spirit moved in the direction of unity.

In his letters to the churches Paul constantly dealt with the subject of unity within diversity. Whether writing to the divided church at Corinth or to the church at Rome, Ephesus, or Colosse or to the churches in Galatia, he hammered away at the theme of their oneness in Christ which overrode their diversities. His use of the phrase "one body in Christ" accents the source of unity. It is a spiritual union like that which exists between the body and the head of a person.

"The body of Christ" is one of Paul's favorite descriptions of the church and finds its fullest expression in Ephesians. Christ is the head of the body (Eph. 1:22; 4:15; 5:23; cf. Col. 1:18). When Paul uses the term "the body of Christ" he is using more than a figure of speech. He is referring to a spiritual reality. For him the total body of the redeemed constituted the continuing and growing body of Christ. As such the church is the continuation of his incarnation. The church is so much more than a "local body of baptized believers."

The term "body of Christ" cannot be limited to local organizations. To do so would be to misinterpret Paul's message and picture a grotesque creature having one head and many bodies of varying shapes. It might also be said that when Paul presents the church as the bride of Christ (Eph. 5) as the ideal for the husband and wife relationship he was not thinking of Christ having a bride in every locality where a church is found. To insist on such an interpretation is to become absurd to the point of sacrilege. For Paul there was one spiritual church and the local churches were concrete organized expressions of this one body in Christ.

It will help us to understand Paul's concept of the church by looking closely at his salutation to the Corinthian church. He addresses this letter to "the church of God which is at Corinth, to them that are sanctified in Christ Jesus, called to be saints, with all that in every place call upon the name of Jesus Christ our Lord, both theirs and ours" (I Cor. 1:2). The picture is not that of the church at Corinth separated from the church at Rome. Rather, it is God's church as it is manifested at Corinth closely related to all those everywhere who are called by the same Lord. Here Paul is "thinking not so much of the separate groups of Christians as to the community which it represents." The church at Corinth is one manifestation of the entire church as constituted by God in Christ expressed in a local situation. It is related to all churches because the same activity of God in Christ is manifest similarly everywhere.

The church as the body of Christ is a living organism of the spirit rather than an organization of ecclesiastical institutionalism. As such we find it most difficult to understand its unity in terms of human institutions. The church is a group of disciples plus the presence of Christ. The size or the manner of association is secondary to the presence of Christ. Christ can be as completely present in the totality of his being with two or three as he can with two or three billion. Since Christ is the distinguishing element, possessed by one and all alike, the small church is just as much the church

as the large church. Consequently, the unity of the part and the whole is established in Christ.

Hoskyns and Davey make an interesting observation about the use of the word "church" in the New Testament. They conclude: "The word has been transformed to denote a body of men and women in which the unity of the whole..... the part is equal to the whole, because each is equal to the whole, because each part possesses, not a fragment of the Christ, but the whole Christ, and consequently, in accordance with the mathematical definition, the Ekklesia is of the order of infinity." This fascinating observation reminds us that every Christian fellowship, however small, represents the whole church and all that is to be found revealed in Christ. Thus, George Cook, James Davenport and I, possessing the Christ and fulfilling his mission, become the church.

The manifestations of the church in the New Testament were local in nature. But these local churches were conscious of being bound together by "the tie that binds." The unity of the one local church or the many local churches was spiritual in nature. No human or ecclesiastical authority was recognized as supreme. Christ was the sole head and bond of unity in the churches. The church was to be governed and ordered solely by his Spirit. No other bond of union was considered necessary.

The second tremendous movement of the First Century church was electrifying "Evangelism." Here is a thrilling word to catch the imagination and heart of every Christian and every church. When evangelism is mentioned we automatically think of "the divine disturbance" of Pentecost and the massive movement of the Holy Spirit in the saving of about three thousand souls in one day. This is the promised power of the Holy Spirit--to save men's souls. Evangelism has been aptly defined as "so to present Christ in the power of the Holy Spirit that men shall come to put their trust in God through Christ and accept Him as Savior and follow Him as King in the fellowship of His Church." Evangelism begins in personal salvation but it continues until Lordship becomes supreme.

When Lordship is united with Saviorhood, evangelism becomes a "disturbing" as well as an inspiring word. Here too, we feel the movement of the Holy Spirit. As long as evangelism is presented as a period of revival in which the safety of souls is secured for a future eternity, general approval is given. A good old-fashioned revival sounds harmless enough. Almost any group, including out and out pagans, will endorse the sonorous platitude that what we need is a good old-fashioned revival. Ernest Freemont Tittle suggests that the reaction would be different if we descended from "the pleasant heights of glittering generalities to the arduous lowlands of particular applications." He writes, "Suppose he feels impelled to suggest that a good old-fashioned revival of religion would involve, as it did in the days of John the Baptist, an urgent unflinching demand that the rough ways of industry will be made smooth; and the crooked ways of politics shall be made straight; and that every valley of undeserved poverty shall be filled; and that all flesh shall be given equality of educational and economic opportunity; and that nothing less than this shall be termed the salvation of God. Having made a suggestion of this sort, would not the preacher discover a sudden drop of at least forty degrees in the temperature of the audience?"

If this definition of an old-fashioned revival sounds strange, though it contains a paraphrase of Isaiah 40:3,4, look again at Pentecost. We read that "all that believed were together and had all things common; and sold their possessions and goods, and parted them to all men, as every man had need. And they continued daily with one accord in the temple, breaking bread from house to house, did eat their meat with gladness and singleness of heart." Here was evangelism with depths which touched the social and economic life of man. It violated the economic rules of sound business practices but it built the Church which shook the Roman Empire.

Such evangelism is consistent with the ministry of Jesus as recorded in the fourth chapter of Luke. Filled with the Spirit at His baptism, He was led by the Spirit into the

wilderness and then led by this same Spirit into Galilee to begin His public ministry. His text was from Isaiah and reads: "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken-hearted, to preach deliverance to the captives, and recovery of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord." Such winsome words caused the people to marvel, "Is not this Joseph's son?" Then in his sermon he pointed to the historical fact found in God's word that widows and lepers of other nationalities were blessed rather than those in Chosen Israel. This was heresy which could not be tolerated. You know the results. Jesus was forced to leave Nazareth. This story has a familiar ring to it. I read it somewhere in yesterday's newspaper--and I shall read it again in tomorrow's news.

This movement of the Spirit in the ministry of Jesus continued in the life of the early church. Evangelism became all-inclusive. Consider the experience of Simon Peter, the Jew and Cornelius, of another race, and the effect of this experience at the Jerusalem Conference. Simon had never had any social dealings with despised Gentiles, only a few business transactions when he was a fisherman. But now he is a fisher of men, commanded of Christ and touched by his Spirit. There was the vision with God's word "What God hath made clean let no man call unclean," then the surprise at discovering that the Holy Spirit actually works in the lives of men of other nationalities, races and religious conviction. This was followed by the Jerusalem Conference where a reluctant church was led by the Holy Spirit working through Peter, James and Paul to accept Gentiles into the fellowship. No wonder the pagans of the Roman Empire exclaimed, "These men are turning the world upside down!" This is evangelism stretched and motivated by the Holy Spirit until it touches the whole life of man and all of mankind. It's dynamite!

The first business of the Church now as always is to preach a gospel of moral and spiritual regeneration, but that is not its sole business. It is imperative to change the individual, but it is not enough to do just this. Something must be done with his environment. Wilberforce recognized that and asked: "Shall we rescue individual slaves and leave the slave system intact?" J.B. Gough recognized that and asked, "Shall we reclaim individual drunkards and never say a word against the liquor traffic?" Dr. Fosdick recognized that and from 1919 on kept asking: "Shall we pick up the wounded in war and leave the war system intact?" Walter Rauschenbusch recognized that and asked: "Shall we seek to help the victims of the social order--the badly housed, the unemployed, the underprivileged, those who suffer because of prejudice about their color or their race--and do nothing to lift the level of the social order itself?"

These two massive movements--the move in Evangelism and the move toward Unity--are needed in the Twentieth century. There is yet hope for His church today and tomorrow.

I close with the story of a twelve year old boy, new to the community and the church, who wandered through the church one Thursday afternoon looking for the place where the Junior Boy Choir was rehearsing. Lost and bewildered, he entered the dim sanctuary with its stained-glass windows. Unknown to the boy the minister was rehearsing his Sunday morning sermon. The boy was startled to hear a deep booming voice cry out, "Who are you who have come here?" The boy attempted to slip out the side door. He was stopped in his tracks by the voice which said, "Wait (pause) --Why are you here?" Now it was the minister's turn to be surprised by the trembling voice of a little boy's response: "I only wanted to sing in the choir. I didn't mean to get into anything like this."

The application is painful. Most of us just want to sing in a Junior Choir. We really didn't mean to get into what Christ dreams for His Church in the First Century --the Twentieth Century--or any Century.

REPORT OF STANDING COMMITTEES
STATE MISSIONS

Generally speaking, State Missions in North Carolina can be divided into two major categories: (1) ministries that strengthen and (2) ministries that lengthen the witness of the local churches.

Strengthening ministries involves the various church program organizations such as Sunday School, Church Training, WMU, Brotherhood, etc. These are programs that better enable local churches to realize their own mission potential.

State Missions ties into all of this by providing resources and personnel that assist in the development of these ministries. Workshops, seminars, and conferences are conducted each year that deal directly with the strengthening of these organizations. State Missions, therefore, help local churches as they themselves become types of "Mission stations across the state.

The second type of State Missions are those ministries that LENGTHEN the witness of local churches. These are cooperative efforts that "represent" the concerns of local churches; programs that require the support of many congregations. Some examples of these ministries include Urban Missions, Interracial Cooperation, Resort Ministries, Language Ministries, Chaplaincy, Fruitland Baptist Bible Institute, Seminary Extension, Ministry to the Deaf, etc. These are specialized programs that require the continued support of well-trained personnel. Many of these ministries are co-sponsored with the Southern Baptist Home Mission Board who provide home missionaries, as well as other resources.

Other extending ministries include Literacy Work, Migrant Missions, Mountain Missions, Week-Day Ministries and Youth and Family Services.

All total, State Missions involves over 50 different ministries across North Carolina. These programs serve as a vital link in the world Mission responsibility of N.C. Baptists.

FOREIGN MISSIONS

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. At the close of 1970 the board had an overseas staff of 2,501.

Hundreds of calls for reinforcements in personnel have come from missions and national conventions in dozens of countries. Some requests, repeated from previous years and still urgent, are yet unfilled.

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament churches. Organized churches with which Southern Baptist missionaries are related on mission fields now total 5,853 of which 75 per cent are self supporting.

The training of national leaders is a prerequisite to strong indigenous churches.

Publication ministries are an integral part of Southern Baptist overseas missions, as all kinds of Christian literature are provided for purposes of evangelism and the developing of vigorous church life.

The program of hospitals and medical care serves the physical needs of thousands of people who would otherwise be rejected are often open strategic doors for evangelistic witness.

Benevolent ministries include agricultural programs, good will and community centers, children's homes, and direct relief work. Good will and community centers in 17 countries reached people in various ways: literacy classes, home-making courses, Bible study, recreation programs, and evangelistic services.

At the end of 1970, Southern Baptists' contributions for Foreign Missions totaled $31,503,218. The Lottie Moon Christmas Offering had reached a total of $16,220,105 by May 1, 1971.

Approximately 50 per cent of the Southern Baptist Convention Cooperative Program Funds are made available annually for Foreign Missions. This is the basis upon which sustained advance can be built. Still needed urgently on overseas fields are land, buildings and equipment amounting to several million dollars worth. Pray and give.

RELIEF AND ANNUITY REPORT

As prices of goods increased and the value of the dollar decreased in 1970-71, a large number of Baptist pastors, church staff members and denominational employees moved to provide greater protection in the years ahead for themselves and their families. Most of these persons did so by increasing their Southern Baptist Protection Program participation to at least ten per cent of total salary.

While members upgraded, the Annuity Board was introducing Good Experience Credit. This gives Protection Program members benefits over and above the amounts set forth in their certificates.

Increased benefits are made possible by interest earnings in excess of the Protection Program's initial actuarial assumptions. Since January 1, 1970, active members received Good Experience Credit in the form of increases in retirement credits accrued.

Retired persons also get Good Experience Credit. Persons receiving benefits other than education, variable or fixed period, are getting four per cent more income each month.

Each retired person, or widow also received a "13th Check" for 1970 amounting to 8.33 per cent of his annual benefit. It was the fifth consecutive year the "13th Check" had been given and amounted to $424,594.

In its 53 year history, the Annuity Board has paid benefits amounting to $82.1 million: $8.4 million was paid in benefits during 1970.

An Annuity Board protection program is available to cover all the needs of a pastor, church staff member or denominational employee. Many churches help by paying the dues in retirement and life and health insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

CHILDREN'S HOMES REPORT

The child care and family service ministry of North Carolina Baptists has undergone many new and thrilling experiences during the past year. Since the associations last met, our program of services has been strengthened in various ways.

The desire for a home to serve Western North Carolina has become a reality. The first two cottages on the Broyhill Home campus near Waynesville have been completed, providing for twenty-five additional children in group care. Also during the past year, a maternity home has been opened in Asheville.

The Ten Star Builders Program, designed to inform Baptists and other friends of the Children's Homes in Eastern North Carolina of the services we are rendering to children and their families, was launched last fall. The initial response has been encouraging. Funds are being raised in Lenoir County for the W.C. Reed Memorial Gym-

nasium and plans are to have the dedication of this building on Sunday, November 7, 1971.

Foster homes in Eastern North Carolina now number sixteen with spaces for twenty-five children. Five years ago we had only one foster home in the Eastern area. This is encouraging growth. Additional foster homes are needed. This affords opportunity for a meaningful and rewarding ministry for children and foster parents alike.

The purpose of the Children's Homes is to provide children loving care in the spirit of Christ. The pursuit of this basic goal has led the Homes to develop a variety of services, all family centered. Some children need resident care. For these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, nursery school education and kindergarten, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Trustees, staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we share with N. C. Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000.

BAPTIST HOSPITAL

Our Baptist Hospital offers to all who need it the ministry of healing in Christ's name. This, simply and basically, is the ministry of our Baptist Hospital. Because our Lord had compassion on poor, suffering, infirmed people, we today are still moved by such compassion. Thus, our Hospital is supported as the still helping hand of the compassionate Christ. This is the heart of our Baptist Hospital work.

Baptist Hospital seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

Some Baptists have wrongly looked to our Hospital to provide good medical care for Baptists alone. But the Hospital, like Christ, is concerned for all people. Any person who needs its ministry, whether he be able to pay or not, should receive any and every service the Hospital can afford. The entire staff of the Hospital is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

Baptist Hospital admitted 17,557 persons in 1970 for a total 150,174 days of care. In addition, there were 51,563 visits to out-patient clinics. About 90% of these were patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

HOME MISSIONS

In 1970 the staff of the Home Mission Board underwent extensive reconstruction. It plans to strengthen and expand the board's efforts to assist churches in missions and evangelism.

Three sections were formed: Planning and coordination, Program Implementation,

and Program Services. A Personnel Division was also created composed of the Missionary Personnel Department, Personnel Development and Office Personnel Services.

At the close of 1970, there were 2,222 home missionaries which is thirteen less than 1969. This reduction was caused by the rising cost of living and a slowdown in giving. Of these missionaries, approximately two thirds are supported jointly with state conventions and serve in the fifty states, Puerto Rico, and Panama.

A training program was started for lay evangelism, including materials, spiritual preparation, use of television and youth evangelism in high schools.

There are 942 Southern Baptist ministers serving as chaplains in the military, hospitals, institutions, and industry. These ministers reported 11,086 professions of faith and 850 units of work started such as Bible classes or Sunday Schools.

About 350 new churches and missions were started in 1970. Baptismal ratio in these churches is one new convert to four church members. New conventions were organized for Pennsylvania, South Jersey and for West Virginia. The Baptist Convention of New York began functioning January 1, 1970.

Language missions grow for Southern Baptists. There are 1,032 missionaries in forty-one states, the District of Columbia, Cuba, Panama, and Puerto Rico. New work was begun with Japanese and Filipino in Hawaii. Work still continues to grow in Cuba despite the hardships.

A new department was developed called interfaith witness. They witnessed and distributed pamphlets to assist churches to witness to those of non-evangelical beliefs.

Missionaries reported people saved by the wide distribution of Scriptures. This was made possible by the American Bible Society and some volunteer donations.

Two motion pictures were produced in cooperation with Broadman Films and have proved quite helpful. One is titled "What is the Church?" which has been very valuable in helping the church see what it should do to be the church. "The City-Where the Action is" presents realistically the opportunities of churches in our growing cities.

We must work toward trying to reach more people right here at home.

CHRISTIAN EDUCATION

Unfortunately, we live in an age of moral decline. Our Baptist schools and colleges are very concerned about this rising problem. They still believe that it is the responsibility of the individual institution for student conduct and that radical minorities have no place in Christian education. Such standards help our Baptist denomination and they are also a benefit to higher education in our nation because church-related colleges are the last source of Christian training for our youth today.

Our Baptist schools had a total enrollment of 108,606 for the year 1970-71. Of this number 15,900 graduated.

Southern Baptist Convention gifts to the schools amounted to $21,722,922; or a decrease of $3,395,213 from last year. Donations, gifts and grants totaled $15,047,533. Total assets reached an all-time high of $723,601,269.

The Education Commission to the Southern Baptist Convention, by a careful study of the future needs of the recruitment service, indicates that recruitment outside our denomination is no longer necessary.

For our Baptist witnessing to continue on the higher level of education, the individual institutions must conform to Christian purposes, serve the denomination, and always strive for academic excellence.

To help our schools accomplish their goals, they need our constant financial support, but most of all, they need our spiritual support.

HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albermarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been more encouraging. For the last three years, the Homes have had an alarming deficit and operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time.

At least 80% of the people who live in our Baptist homes are financially needy persons and benefit directly from the love gifts of N.C. Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering designated gifts from the churches, and the Cooperative Program.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. This will bring the total capacity of the Nursing Care Unit to 76.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

CHRISTIAN LITERATURE

We read in Hosea 4:6, "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou has forgotten the law of thy God, I will also forget thy children." Who would dare say that this verse only applied to the people of Hosea's day? Surely these words of Hosea are applicable to many people in every generation. Some are destroyed for a lack of the knowledge of God and the Saviour, others are destroyed for rejecting the knowledge that they have of God and the Saviour.

Christian literature continues to be an excellent way of providing and propagating this important knowledge of God and the Saviour for all mankind. Needless to say, the Holy Bible remains the chief source of information and inspiration for all Christian literature.

We are indeed grateful to God for inspiring men to record His message and the preservation of the Holy Scriptures for all posterity. To the American Bible Society for helping make more and more of the Scripture available for all mankind, we are grateful. Men who believe the Bible and receive God's Son, the Living Word, shall not perish for a lack of knowledge.

We are grateful to Dr. James L. Sullivan and the Sunday School Board of the Southern Baptist Convention for providing us with Christian literature to aid us in the teaching of God's Word in the local church.

We are grateful to Morris Grant, Editor of the Biblical Recorder, and his fine staff for publishing worthy information to inform and inspire North Carolina Baptists.

We are grateful to our Home and Foreign Mission Boards for their Christian Publications which inform, inspire, and challenge Christian readers. This Christian literature should encourage all of us to more diligent obedience of the Great Com-Commission.

TEMPERANCE REPORT

We find increasing evidence today which tends to indicate that not only people in general, but some of our Baptist people fail to meet the limits of abstinence prescribed by the definition of temperance and our church covenant. Not only are more and more of our church members changing their views in regard to total abstinence from alcohol, premarital sex, drugs and other degrading avenues but some have even gone beyond the limits of moderation.

With mammon occupying the throne of many lives and with the frantic scramble for material security from the cradle to the grave, we see quite easily how our people are being caught up in the movement of the masses - why they hold such low regard for their convictions and why people in general have none at all. The traps are set for anyone walking in unawareness. Proverbs 1:17 states the situation plainly - "Surely in vain the net is spread in the sight of any bird".

Plain as the situation may be, many are still falling prey to its clutches. It is estimated that two out of three people drink alcohol today. 21 billion dollars annually is spent towards its products. At least 1 out of every 15 teenagers is subject to become alcoholics. There are more than 3 saloons for every school, 2 liquor outlets for every church - 1 to every 75 families in the United States.

We are confronted with the problem of drugs in as low as the second and third grades. Sex with many partners is presented as the end way of life for our teenagers. As a result 50% of all teenage marriages break up in 2 years. We have advanced from $2.25 billion spent on commercial sex in 1948 to an age that advocates "free sex". Very little seems to remain of self-control. The desire for mammon has changed people greatly even some of our Baptists from following a path of temperance to the wayside of "eat, drink, and be merry" with no counting the cost.

SOCIAL ACTION

The American people have found ways to reach the moon but we have yet to find the answer to the problem of showing the necessary love for our fellowmen. Hunger still abounds in a land of surplus food. Lack of respect for law and law-enforcement officers mushrooms as the lawlessness of the land becomes a mammoth problem. The use of alcohol alters the ability of man to think clearly and act responsibly to the extent that more than half of the deaths on the highways last year involved drinking drivers. The use of drugs is prevalent in every town and city and crime grows by leaps and bounds when drugs move on the scene. Respect for the human body, God's master creation, is lost as sex is exploited.

As Christians and as Baptists, the question necessary for us to answer is the question Cain asked God, "Am I my brother's keeper?"

We do have a responsibility to our brother and his need. We cannot read God's word and put it into practice if we ignore the command of Jesus, "As you wish that men would do to you, do so to them". Luke 6:31. The nineteenth century philosopher Kant expressed this another way when he said "so conduct yourself that you can wish that your actions might become law."

We must be willing to face the problems of the decade with a Christlike concern

to change those things that will warp human life, or bring destruction to God's people or His plan for them. The concern will be of little value unless we put action into our concern. First, let us dedicate ourselves to learning through Bible Study, God's will for His children. Then let us become the "Good Samaritan", the man of action, wherever we find an area of need. We must be aware of the worth of a man more than the color of his skin.

Our efforts to aid the Migrant Ministry in the area are commendable. Participation in the program of the Circus Tent, support of Camp Cale and the Kitty Hawk Mission, Mission Vacation Bible Schools conducted by some of the churches are all worthy causes. But this is not enough. With the combined efforts of the churches of the Association many other things are possible. Each of us has a responsibility as an individual to be one of God's missionaries here and now. Let us work for laws to protect the minds of our people from the smut of the entertainment media, to protect the body from slaughter on the highways caused by the excessive use of alcohol, and prevent the tragic personality breakdowns which result from the excessive use of drugs. Use your vote to elect men who are concerned about the problems of our day.

MINUTES OF THE APRIL 13, 1971 WMU MEETING

The Chowan Associational W.M.U. convened for its sixty-sixth annual session on April 13, 1971 at 4:00 p.m. in the Hertford Baptist Church with Mrs. Cecil Basnight, Director, presiding. This was the first meeting of this type to have afternoon and evening sessions. The theme for the day was "What's Happening? Revolution?"

The meeting opened with the hymn "Stand Up for Jesus" followed by the invocation by Mrs. C.D. Swain.

Mrs. Robert Gray led the afternoon meditation and words of welcome were expressed by Mrs. Royce Vickers who also made announcements followed by a response by Mrs. O.C. Long, Jr.

Mrs. Basnight gave news items concerning Camp Cale in the absence of Mr. Billy Jackson. She then recognized and welcomed pastors and visitors. Eureka, Calvary and Ramoth Gilead were recognized for having honor W.M.U.'s. At this time Mrs. Basnight presented a Bible to Linda Riddick, Queen Regent-in-Service of Sandy Cross Church.

During the business session Mrs. Basnight appointed the following Courtesy Committee: Mrs. Louise Gray, Chairman; Mrs. Lee Small, Mrs. Bennie Crawford.

Requests were made for help for the migrants and for church histories for the museum.

Mrs. Basnight asked for expressions as to the desires of the group on the date for the Prayer Retreat. Since there was no response she asked that desires be written and given to her by the end of the evening session. She also stressed that the place of the annual meeting is determined by invitation only and suggested that smaller churches work together and host the meeting.

Special music was rendered by Miss Hope Basnight who sang "He Touched Me" accompanied by Debbie Kenton.

Mrs. J.L. Chestnutt introduced the afternoon speaker, the Reverend Billy Presley, who spoke very effectively on "Revolution Charaterizes World".

The afternoon session closed with prayer and blessing by Mrs. Roy Riddick.

The evening session began at 7:00 p.m. with singing "Our Best". On the last verse the Youth Choir of First Church of Elizabeth City very effectively entered and presented the evening meditation in the form of the "Christian On Trial". Following this the choir presented several selections as special music, accompanied by Debbie Kenton at piano.

Mrs. Don Williams introduced the speaker for the evening, the Reverend Samuel Young was asked the question "What in the WORLD Are You Doing?"

Miss Rose Jennings announced that co-hosts for the 1972 meeting would be Riverside and Calvary Churches.

Mrs. Louise Gray gave the report of the Courtesty Committee expressing appreciation to all for a good meeting.

SUNDAY SCHOOL REPORT

We are happy to report that there is a rising increase of interest being shown in the BIBLE TEACHING PROGRAM OF THE CHURCH, and we trust that when the reports are all in that we will see an increase in the Sunday School activities for the year.

Our Vacation Bible School Clinic was held on April 4, at Blackwell Memorial, and on April 5 at the Edenton Church, and we want to thank the fine staff of workers for a job well done. Of the 207 present we had 42 churches represented, and 19 pastors. We are looking forward to the V.B.S. reports to see how many schools were conducted in the churches, and how many boys and girls were helped in these schools. We urge you to start planning now for your V.B.S. next year.

Our churches had further training in the Realife Conference in the Hertford church on May 16. We had a fine staff of pastors who attended the Regional Realife Conference in Raleigh to prepare for our local conference. We had a total of 77 present, representing many of our churches, and these were to help their church during the training week in September as we prepare for the challenge of the new year. We trust that many of our churches did have a training clinic for their own workers, and that this training will show its value in the coming year.

The emphasis for the new year is SHARE THE WORD NOW, and following the state-wide conference in Greensboro January 15, 16, we will have a regional conference in Williamston on February 19, and follow this with our associational conference on Tuesday night of February 20. This again we trust will train our local Sunday School workers for the training week in September.

Thank you for the work that is being done through the Sunday School in your

church. We urge you to extend your outreach throughout your entire community, and reach many people for Christ and the church this coming year.

Respectfully submitted,
Ralph Knight, Director

CHURCH TRAINING REPORT

There were 18 churches reporting statistics of Church Training Programs in the 1971 minutes of Chowan Baptist Association, with an enrolment of 924 and total average attendance of 513.

On December 6, 1971, "M" Night was observed at Rocky Hock Baptist Church. There was a total of 204 present. Rocky Hock Baptist Church had the highest attendance: Lindsey R. Bunch, Director. Chappells Hill had the highest percentage of their enrolment present; Mrs. Mary C. Lane, Director. Ebenezer Baptist Church had highest attendance present among churches without an organized Church Training Program.

Rocky Hock Youth Choir presented a choral worship entitled "Now Hear It Again", a film entitled, "Proclamation Through Witnessing" was shown, and Rev. Charles Ledford preached the message entitled "You Can Win!"

Youth Night at Blackwell Memorial Church was a great success! There was an overflow crowd of over 450. The Youth of Blackwell Church, under the direction of Miss Betty Miller, presented the skit entitled, "Love, O Love." The Billy Graham film, "The Lost Generation" was shown. Refreshments and fellowship was provided by the host church.

BROTHERHOOD REPORT

February 19, 1954, at Bethel Baptist Church, a new movement began in the Chowan Association that has gained momentum - THE BAPTIST BROTHERHOOD. Following this meeting in February of 1954, a group of 83 men, from 21 of the churches met on June 22, 1954, at which time the State Secretary outlined the work of Brotherhood organizations. A great deal of interest was shown and from this an associational President was named.

On February 15, 1955, an Associational-wide meeting was held at Bethel Baptist Church with 32 churches represented and 139 men and two women present. Officers were elected and through their efforts, there were fourteen Brotherhoods organized in 1955 in our Chowan Association.

Following the action of the 1954 Southern Baptist Convention, the promotion of the order of Royal Ambassadors on the Convention level was placed under the direction of a joint committee composed of five representatives, each from Woman's Missionary Union and Baptist Brotherhood. The period of joint promotion is to be for three years, at the end of which time the transfer of Royal Ambassador's work to the Baptist Brotherhood would be complete.

As time went on, this unit of Christian involvement grew to a number of thirty-

five Brotherhoods in 1959 with an enrollment of about 800 men and boys.

The report for the 71-72 year does not reflect the same desire and inspiration that we witnessed in the past. As a matter of record, we have dropped to a total of 25 Brotherhoods and about 700 enrollment. With the work of the Lord needed more so today than any time before, let us band together to form one of the strongest arms of Christian witness known to man. Let's form a Brotherhood in every church in our Association. I have been very neglectful in my duties as Associational Brotherhood director during the past year, but I shall endeavor to promote our Brotherhood during the coming year. Only with your support and prayers can we be successful in the work of our Lord.

On April 29, 1972, we held our associational track meet at J.C. Sawyer School in Elizabeth City, N.C. Berea Baptist Church walked off with most of the first place ribbons. Corinth and Hertford each had a participant to win first place in one of the events. Due to inclement weather and lack of communications, the associational winners did not participate in the state meet that was held at Gardner-Webb College.

On July 7, 1972, day camp was held at Camp Cale for all R.A.'s. There were approximately 100 boys to attend this day camp. A good time was had by all that participated.

WOMAN'S MISSIONARY UNION

As I look back over the past year and remember the themes for the weeks of prayer: "Expect Great Things From God - Attempt Great Things For God", I cannot escape the feeling that many of our ladies do not believe this and are not willing to expect from or attempt for God.

As I reviewed the reports for the past year, one question and answer I find very disturbing: You were asked "What area would you say is the weakest in your W.M.U. and how can we help?" The answer you gave the most was "lack of interest and concern in all ages but especially the 18 to 30 group. The help you asked from your Associational W.M.U. officers "help us to find some way to interest these young women." There is only one answer, that of total commitment to God and to His work here on earth. When we have committed Christians we have concerned and interested Christians. We do have some dedicated ladies working in this Association, for out of the 56 churches we have work in 51 of these and we had one new W.M.U. organized this year, making a total of 52 out of 56.

Many of the churches observed the W.M.U. Focus Week in February. Also the Baptist Women's Day of prayer in November. Most churches had a part or all of the weeks of prayer for Foreign and Home Missions.

The annual session met with the Salem Baptist Church in April.

In August your new W.M.U. director attended W.M.U. week at Ridgecrest.

The W.M.U. Council attended the workship at Mundo-Vista.

It has been a busy year and a good year for a lot of us.

I could not close this report without saying thank you to all of you for your prayer support and help, and words of encouragement during these past four years as your Director.

May God bless you as you serve Him.

Respectfully submitted,
Mrs. Cecil Basnight

CAMP COUNCIL

Camping was at its best at Camp Cale this summer. 188 resident campers enjoyed a well-planned program that was prepared and guided by a dedicated, experienced staff, who wish to return next summer. Almost every weekend was reserved for church picnics and retreats. Reservations are made by calling the Associational office. Call as far in advance as possible.

Resident camping for 1973 will begin June 18th and end August 11th. Each week will begin at 1:00 p.m. Monday and end at 9:00 a.m. Saturday. Ages 15, 16, and 17 Boys and Girls the first week-end before June 18th and the week-end after July 4th. A schedule will be mailed in April.

The bulkhead is completed and the filling will soon be done. One area of the fill, overlooking the river, will be a water-side worship area with seats on the sloped fill. A platform for the speaker will be built on the bulkhead level in full view of his audience on the bank. The director's hogan will be enlarged. A boat shed will be built to house the canoes instead of storing them in the dining hall where they are in the way of retreats. Also a lean-to shed over the outdoor grill, to conform with the building. This grill is for church picnics and groups to cook fish, chicken, etc. Oil will be furnished at $15.00 per cooking. The ball field will be graded to better drain the tennis and volley ball courts and softball field.

A Markel commercial-industrial electric heater will be installed in the dining hall to make it comfortable for late Fall and early Spring retreats.

We want to say "Many Thanks" to all who have given special gifts to Camp Cale. Two canoes and the outdoor grill were purchased with these gifts. We now have approximately $900.00 in special gifts that will be used wisely to purchase special items such as canoes, electric heater, etc. We hope to get these gifts built up to the price of a nice sailboat that will carry about seven people. The one we have now has about served its usefulness. Many happy memories are in its past.

The Camp Council is encouraged by your increased interest in the camping program of our Association. The future plans for Camp Cale are very exciting. Your consistent and increased support will hasten the day when the camp can be used throughout the year for many types of retreats and workshops. Our future plans call for a self-contained lodge building, completely winterized, with an assembly hall, kitchen and sleeping facilities for 100 people. The recreational potential at Camp Cale is second to none, for the adults as well as the young people. Please don't prolong the opportunity of having a closer relationship within the Association and a stronger local church.

Billy Jackson

EVANGELISM COMMITTEE REPORT

The emphasis in our Association this year has been on individual Church effort in evangelism in their given areas. In September of 1971 a Pastor's School of Evangelism was held in our association in view of possible Schools of Evangelism to be held in the various local Churches during this year. Many of our Churches have used the materials taught in this school in various manners to build a more evangelistic Church. About our State, 6,000 youth and adults in 425 Churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. This is a good response.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

The Division of Evangelism in cooperation with the Department of Communications and the Division of Church Programs sponsored a Statewide Communications, Evangelism and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

More than 20,000 youth, pastors and adult leaders attended the second Statewide Youth Evangelism Night on August 18 at the Greensboro Coliseum. It is evident that God is working through Christian Youth today to share His Gospel in a thrilling, manner.

The 27th Statewide Evangelism Conference will be held in Charlotte at the Ovens Auditorium on February 5-7 in 1973. Make plans now to attend this Highlight of the year in North Carolina Baptist work.

It is with pleasure that the Evangelism Committee has served you during this year, and we hope that greater impact can be made in this coming year for the Lord. It is very difficult for such a large Association to work together on the same project. It is our suggestion that projects be conducted by areas, Counties etc. In these smaller workable units there can be greater cooperation and success in Evangelism efforts.

EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Chowan Baptist Association held its four regular meetings during the year. Three sub-committees were elected from its membership: The Missions Advisory Committee, the Finance Committee and the Calendar Committee.

The committees of the Executive Committee were duly elected and organized. These committees gave their reports at the regular meetings. Pastoral aid for the following churches was approved:

Sladesville	$600.00
Fairfield	600.00
Rose Bay	600.00

The work at the Kitty Hawk Chapel and Camp Cale had an outstanding year. The Kitty Hawk Chapel had a combined attendance this year in Sunday School and Worship of 963 with offerings amounting to $1,058.15. The parking lot was also paved. Camp Cale experienced a good year in attendance and the completion of a water bulkhead to keep the shoreline from eroding.

The Missions Advisory Committee at the direction of the Executive Committee is working with a group of residents of the Nags Head community concerning the pos-

sibility of beginning a new church.

Mr. John Elliott presented the budget for 1972-1973. This budget was approved and submitted for your approval.

We have had a good year. We are trusting that the days ahead will be fruitful days for the Lord's work.

ANNUAL AUDIT REPORT

This is to certify that I have audited the books of John M. Elliott, Treasurer of the Chowan Baptist Association for the Associational year ended September 30, 1972, and find the accounts correct as stated in the foregoing reports. The records are well kept and Brother Elliott is to be commended on the fine work he is doing.

MISSIONS ADVISORY COMMITTEE REPORT

The work of the Missions Advisory Committee has related to four general areas this year. They are: (1) The Kitty Hawk Chapel Ministry, (2) The Circus Tent Ministry, (3) The Association Office, (4) New and Prospective Mission Work in the Association.

I. The Kitty Hawk Chapel Ministry:

We were indeed fortunate in having the Rev. Bobby Hewitt serve as Chaplain of the Kitty Hawk Chapel this past summer. Mr. Hewitt is a ministerial student in his second year at the College of the Albemarle; he is a native of Elizabeth City, and a member of Ramoth Gilead Baptist Church. Mr. Hewitt gave to the Chapel Ministry a warm and loving spirit, a deep sense of Christian commitment and a ministerial ethics we can be proud of.

The following is a report on the attendance and offerings during the 1972 season:

MONTH	NUMBER PRESENT S.S.	TOTAL PRESENT	TOTAL OFFERING
June 4	26	44	$ 29.04
June 11	20	31	30.50
June 18	10	54	44.22
June 25	28	40	51.09
July 2	48	80	71.22
July 9	30	60	60.82
July 16	38	85	77.24
July 23	39	72	61.90
July 30	53	84	77.38
Aug. 6	25	67	86.05
Aug. 13	60	99	158.23
Aug. 20	25	84	115.92

Aug. 27	22	76	86.85
Sept. 3	48	87	107.69
TOTALS	472	963	$1,058.15

A great deal of physical improvement was done around the chapel this year. The most important of which was the filling, grading and hard surfacing of the entrance and parking area to accommodate some 30 cars. This was done at a total cost of $2,627.40 by the Outer Banks Contractor and represents a most economical cost for the work done.

II. Circus Tent Ministry

The Chowan Baptist Association again shared with other denominations in operating the Circus Tent Ministry at the Nags Head Beach. Our initial cooperation this year was a $500.00 contribution. Then Mr. Bobby Hewitt, chaplain of the Kitty Hawk Chapel participated in the film program and group discussion each Monday evening. Also our Baptist State Convention placed and supported a youth worker in the Circus Tent Ministry this season.

The purpose of the Circus Tent is to offer youth and adults a clean and wholesome place to gather for fellowship, refreshments, listening to folk music and share in spiritual discussions.

III. The Association Office

The Association Office continues to be one of the great assets to the Chowan Association. The good and willing spirit of Mrs. Paulett Lane along with her knowledge, dedication and capability makes the office a strong arm to every church in the Association. We are indeed fortunate to have Mrs. Lane as Secretary to the Association.

IV. New and Prospective Mission Work

Again this year the Missions Advisory Committee studied the possibility of a mission church at the Universal Trailer Park near Northwest, Virginia. Consideration was given to recommending the purchase of a building adjacent to the Park and beginning a Mission Church. In evaluating the prospective work it was decided that the best approach would be to work through a nearby church so the work could be properly fostered. The Moyock Church accepted the challenge to try to get a work going but found from a census of the people and a ruling of the Park that it is going to be most difficult to begin a work there. However, we are still hopeful that conditions will change and the Moyock Chruch can still foster a ministry there.

The Missions Advisory Committee has related to a new work in the beach area. The Committee along with the Moderator and Vice-Moderator has met repeatedly with a group led by Mr. Steve Parsons which has now organized a church and are meeting in the Kitty Hawk Chapel temporarily. This new work is off to a great start with Christian zeal, New Teatament spirit and Missionary dedication. They have already petitioned the Chowan Baptist Association for membership. As a Missions Committee we beseech your every prayer and support of this new church.

Missions Advisory Committee

41. Glenn D. Greenway presented a resolution from the Missions Advisory Committee and moved its adoption. The motion was seconded and approved.

RESOLUTION FROM THE MISSIONS ADVISORY COMMITTEE

WHEREAS in July of 1972, The Missions Advisory Committee was contacted by Mr. Steve Parsons of Kill Devil Hills, who represented a group from the Nags Head area that was in the process of forming a new church, with the request that the group be permitted to use the Kitty Hawk Chapel as a meeting place during the months of September, 1972 through May, 1973: and

WHEREAS the Missions Advisory Committee, along with Mr. George Cooke, Moderator of the Association, met with the Parsons group on August 31, 1972, for the purpose of hearing, and evaluating the history and intent of the movement; and

WHEREAS the Missions Advisory Committee related the request of the group to the Executive Committee at the meeting in September, giving full account and appraisal of their findings, and urging the Executive Committee to permit the use of the building to the group; and

WHEREAS the Missions Advisory Committee nor the Chowan Baptist Association has been instrumentive in the movement, organization or forming of the group; but rather it has been a spontaneous movement on the part of the interested persons who have turned to the Chowan Association for identification and for undergirding with spiritual and doctrinal insight;

Be it therefore resolved, that we, the Chowan Baptist Association, meeting in this the one hundredth and sixty-seventh session, gratefully acknowledge the newly formed church, giving praise for its Spirit, zeal and determination, and honor the decision of the Missions Advisory Committee's action in permitting the use of the Kitty Hawk Chapel as its meeting place, and

That we further resolve that in our efforts to help, encourage and strengthen, do permit the use of the Chapel facilities rent-free in accord with the above stated qualifications in this resolution, and

REPORT OF STANDING COMMITTEES

CHRISTIAN EDUCATION

OUR COMMON GOAL

Together we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. This ideal always exceeds our grasp. However, it is the ever-present goal toward which we strive.

COOPERATIVE PROGRAM

The Baptist colleges in North Carolina continue to be grateful for the vital financial support which comes through the cooperative Program. Outside of student charges, the Cooperative Program is the largest financial source of annual income for our colleges. During the past year these amounts were:

Campbell College	$ 311,688
Chowan College	192,400
Gardner-Webb College	213,564
Mars Hill College	270,322
Meredith College	270,322
Wake Forest University	467,532
Wingate College	198,172
	$1,924,000

BAPTIST COLLEGE SCHOLARSHIP OFFERING DAY

One way our churches can help to relieve the financial burden of our schools is through participation in the Baptist College Scholarship Offering Day. Every year many of our churches provide student aid funds for needy North Carolina Baptist students by means of this special offering on Father's Day. We urge more of our churches to enter into this investment in our youth.

The inclusive enrollment of the seven North Carolina Baptist colleges during the past academic year was 16,609.

STATE MISSIONS

The churches are on mission to people under the Lordship of Christ - Matthew 28:19-20; Acts 1:8. Churches in a cooperative plan express their mission beyond the local congregation. State Missions is inter-related by planning and financing with churches, associations, the State Convention, Home and Foreign Mission Boards. There is a ministry of State missions expressed within the local church in Evangelism, Church Programs, and Stewardship Promotion. State Missions is Christian Social Service expressed through institutions. State Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one local church such as: work at Cherokee and Pembroke, promotion and co-ordination of World Mission Conferences, support of part-time Chaplaincies in several correctional institutions, assistance in witnessing to and enlisting for service Orientals and Spanish speaking peoples, ministry to the deaf, Seminary extension, a rapidly growing Resort Ministry, and Fruitland Baptist Institute.

Our cities need Baptist Centers and other expressions of Christian social and evangelistic concern. State Missions promotes and supports a vigorous ministry in the inner city. State Missions continues a specialized ministry with other races.

State Missions encourages new churches by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting. Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry by the churches to people who need God and other churches that need help.

N. C. BAPTIST HOMES FOR THE AGING

This has been the best year that our Homes for the Aging have ever had in our twenty-one years. The Special Offering for the Homes and support through the Co-operative Program reflect an encouraging increase. Through these two vital sources, the Homes during the past year derived almost 30% of the total operating budget in the care of the residents and patients, with 20% coming from the offering, and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them. Our residents depend greatly on these.

Our Baptist Homes now operate five resident Homes with two located in Winston-Salem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accomodating 18 additional patients was completed in November of 1971 and named in honor of Judge and Mrs. William York, of Greensboro. He and Mrs. York gave $80,000.00 for the construction of this new wing, and the additional money needed was raised by the Trustees of the Homes.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that N.C. Baptists are doing. Be glad that you are a Baptist, and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

Mrs. Ben Snell

HOME MISSIONS

"Those who serve Christ in this nation are placed in the midst of one of the great evangelism and mission fields of the world. With approximately 80 million not identified with any religious group and a high percentage of church members nominally related to the work of Christ, we face needs of the first magnitude, and humanly speaking, what happens in America in a large part determines what happens in the spread of the Gospel around the world." The foregoing words by Dr. Arthur B. Rutledge, of the Home Mission Board, point out the tremendous need and challenge we face in Home Mission work. The rising cost of living and a slowdown in giving affected the mission force, numbering 2,229, only 7 more than a year ago.

The division of Evangelism extended out into a television, bus, and renewal ministry.

909 Southern Baptist ministers served as chaplains in the military, in hospitals, institutions, and industry.

The Division of Church Loans broadened its service and now considers requests for church loans from groups in older established states of the Convention as well as requests from "Negro and other ethnic Baptist churches".

Disaster relief was provided in areas hard hit by natural disasters.

A total of 960 student summer mission personnel were under appointment in 1971, 693 by the HMB and 267 by BSU. More than 900 are expected to be appointed in 1972.

Work was carried on with 90 new language congregations in approximately 45 states, District of Columbia, Panama, and Puerto Rico.

The emphasis and goals of pioneer missions are incorporated in the ministries of Church Loans, establishing churches and church-type missions, associational administration service, language missions, and Christian social ministries.

BAPTIST CHILDREN'S HOMES

For the past eighty-seven years, North Carolina Baptists and their Children's Homes have cooperated in a program of Christian child care. The Homes have been sensitive to human need and have provided children with quality care. North Carolina Baptists have given generous and enthusiastic support to their child care ministry.

The agency is vigorously pursuing its basic purposes. Changing conditions which are affecting American life today are determining factors in the number of children needing our care and the types of care that are needed. More and more we are being asked to serve children with special needs beyond neglect and dependency. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Children's Homes continues to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. Mills Home is engaged in a year-long study to determine how we can best serve the children in the Piedmont Area. The Ten Star Builders' Program is enlisting the support of Eastern North Carolina for Christian child care in our area. Across the state, renewed effort is being given to the enlistment of foster families. Expanded services to families are being initiated.

One of the major tasks confronting our work in Eastern North Carolina is the upgrading of our campus facilities to meet minimum standards for licensing our child care program. Most of our older buildings at Kennedy Home will require extensive and expensive renovation to meet these standards. Some buildings may have to be completely replaced with new structures. To meet this urgent need, we ask our Baptist friends in Eastern North Carolina to give serious and prayerful thought to increased support for operating expenses and special bequests and donations for captial improvements.

TEMPERANCE REPORT

It seems that the more facts that are gathered concerning the ill effects of alcohol on a person's health, the more some are determined to drink the filthy stuff. Lots of folk seem to take the attitude that no one is going to tell them what they can do and what they cannot do. It has been proved beyond a doubt that alcohol is a narcotic and slows down a person's reaction in an emergency.

If the present rate of consumption of alcoholic beverages continues, more than 36,000,000 Americans will suffer from alcoholism and related diseases by 1988.

Mrs. Herman Stanley, promotion secretary of the national Woman's Christian

Temperance Union, made the prediction at the organization's 98th annual convention at Miami Beach.

The U.S. Treasury Department says 381,000,000 gallons of liquor were consumed in 1971, an increase of 11,000,000 gallons over 1970.

Now there are some who are reluctant to try to curtail the sale of alcoholic beverages because of the so-called "revenue" that it brings in. However, it has been proven that it costs the state of North Carolina $17.64 to get $1.00 liquor revenue. Now, will anyone be kind enough to explain how anybody or concern remains in business when they have to spend seventeen times more than they take in. That old "revenue" lie just doesn't hold water. But there are some weak kneed church members who will swallow that lie and never turn a hand to check the sale of alcoholic beverages.

I believe that Christian people can close every liquor store, every beer joint, and every bar in every community when they love nothing but God and fear nothing but sin and join hand and heart and let the liquor crowd know that we mean business.

The Apostle Paul said that some of the professed Christians in Philippi were enemies of the cross of Christ. When a professed Christian fails to take a stand against all kinds of evil, he may well be classified as an enemy of the cross of Christ.

RELIEF AND ANNUITY

The Annuity Board of the Southern Baptist Convention has been serving employees of the Convention for more than half a century - fifty-four years to be exact. Ministers serving churches and other employees of the churches are also covered. During its fifty-four years of service the Board has paid out more than 92 million dollars in benefits. It paid out more than ten million last year. Due to good investment and sound business management it paid out 25% more in benefits to 7,500 annuitants than their contract required. This extra benefit comes as a "13th check" at the end of the year. From both observation and experience I can tell you that this is a mighty fine Christmas present or end of the year morale lifter. These extra benefits last year amounted to $1,339,732.

The Annuity Board offers a Protect Plan for disability, death, and retirement for every pastor, church staff member and denominational employee. Many churches pay in full the dues for their pastor and staff. This is considered a salary supplement or in lieu of a more adequate salary.

You can see from the benefits paid and from the 292 million dollars held in trust that this is a sizeable operation, as well as a most worthy and commendable one. Thirty-nine of our 56 churches in the Chowan Association, and 42 staff members participate in this Protection Plan. All our churches should participate and all our pastors and employees should have this protection.

Charles W. Duling

FOREIGN MISSIONS

The sending out and maintaining of missionaries is the main mission of the Southern Baptist Foreign Mission Board. The overseas missionary staff at the end of 1971 was 2,526. This included 169 missionary associates, 5 special project medical personnel, and 125 missionary journeymen. During the year 226 appointments were made including 120 career, 28 associates, 67 journeymen, 2 special project medical workers and 9 career reappointments.

Many reinforcements in missionary personnel are needed. Some of these requests have been repeated for several years. On January 1, 1962, Southern Baptist mission-

aries were under appointment to 75 geographical or political entities. During 1971, missionaries took up residence in upper Volta Laos, and Surinam.

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament churches. Organized churches with which Southern Baptist missionaries are related on mission fields now total 6,045, of which more than 70 percent are self-supporting. Missionaries act as co-workers and resource persons for national churches, leaders, and conventions. Many types of ministry make up the program of evangelism and church development. They are radio and television, English-language churches, lay-leadership training, stewardship promotion, camps, and conferences, work with women, men, and youth, music and religious education.

The training of national leaders is a pre-requisite to strong indigenous churches. There are educational institutions in many lands from kindergarten through the university. Of special importance is the development of pastors, and other church leaders through the theological schools and in programs below the full seminary level.

At the end of 1971, Southern Baptist contributitions for foreign missions totaled $33,719,447, a per capita gift of $2.80, nine cents more than in 1970. Approximately 50 percent of the Southern Baptist Convention Cooperative Program funds are made available annually for foreign missions.

Mrs. Roy Riddick

SOCIAL ACTION

Social action calls for the focusing of Christian ethics on the field of human relations and the application of Christian principles in the arena of person to person encounter. As Christians, we stand under God's judgement now and we will be judged in the final judgement on the basis of our attitudes and conduct towards each other. We live in a time of human misunderstanding and racial tensions where hatred, animosity and malice separate us into hostile camps. Our approach to social problems must be grounded on firm faith in the one God who is Father of us all and loves all His children and on sound Christian doctrine rather on preference and expediency. By the grace of God we must seek the leadership of the Holy Spirit, search for revealed truth and with courage and patience work for the healing of the breach in the church and our community.

In our Christian concern we cannot overlook the crisis we face in many areas of morality. Our attention is caught by the disrespect for personhood which is seen in the sexual abuse, crime and violence which has become the accepted pattern of our American way of life. The disintegration of home-life as seen in the increasing divorce rate and juvenile disorder is a challenge to every church and Christian. The alarming abuse of legitimate drugs by adults and illegitimate drugs by the young and the increasing problem of alcoholism among both demands the concerted action of the homes, churches and institutions of our communities. We must be gripped with Christ-like concern for those whose humanity has been warped by these forces of evil.

Today may the church affirm her intent to present the "whole" gospel in the redemptive power of God to reclaim each person from every destructive evil which blights the image of God in every man.

Let this Christian action begin in the local church which is closest to the source of evil and nearest to the victims.

MINUTES OF THE APRIL 11 W.M.U. MEETING

The Chowan Associational W.M.U. convened for its sixth-seventh annual session on April 11, 1972 at 4:00 P.M. in the Salem Baptist Church with the Riverside and Calvary churches as co-hosts. Mrs. Cecil Basnight, Director, presided and used the theme: "Expect Great Things from God - Attempt Great Things for God".

The meeting opened with the hymn "God of Grace and God of Glory" after which the Reverend Ben Hall gave the invocation.

Mrs. Larry McClure led the afternoon meditation using scripture from Matthew and speaking on the theme as a challenge to all of us. Words of welcome were expressed by Mrs. Ben Hall who also made announcements for the day. Mrs. Harvey Criminger responded to the welcome.

Mr. Billy Jackson gave a detailed report on progress at Camp Cale and plans for the '72 camping season.

Mrs. Basnight recognized visitors in the congregation and W.M.U.'s who were honor groups - these were: Eureka for the sixth consecutive year and Calvary for the third. She also acknowledged three churches that had reached the 100% goal in contributions to the Heck-Jones fund which were Eureka, Rehoboth and Elizabeth City, First.

Following the hymn, "All Hail the Power of Jesus' Name", offering and prayer, Mrs. Basnight introduced Reverend Ernest Upchurch of Raleigh who made an appeal for interest and help in the migrant ministry in our area. He presented figures, facts and pictures which showed that a ministry to the migrants is a must. With about 1300 in our area it is an opportunity to be engaged in our Lord's work. We need to think of migrants as people.

During the business session the executive council recommended that the day's collection be given to Sandy Cross for their building fund. Motion was made and duly carried to that end. Mrs. Basnight appointed the following courtesy committee: Mrs. Joe Thorud, Mrs. Frank Jones and Mrs. Walter Ward. She announced that the Prayer Retreat would be Saturday, September 23 from 10 A.M. to 2 P.M. at Camp Cale.

Mrs. Basnight then introduced her pastor, Reverend Maynard Mangum of the Elizabeth City First Baptist Church, who brought the afternoon message. He brought a very inspiring sermon using the theme for the day and stressing that every person is worthy of witness and concern. In closing he asked, "What has happened to our expectancy?"

Special music was brought by Mrs. Jim Davenport who sang "Fill My Cup" accompanied at the piano by Mrs. Reuben Earl James.

The afternoon session adjourned with blessing and prayer by Reverend Mangum.

The evening session began at 7:00 P.M. with singing "To God Be the Glory".

Evening meditation and special music was presented as a skit, "Love Oh Love", by the youth choir of the Blackwell Memorial Church directed and accompanied by Miss Betty Miller.

Mrs. Walter Ward, for the courtesy committee, expressed gratitude to all who helped make the meeting possible and enjoyable.

Mrs. Woodrow Hofler extended an invitation to meet at the Hobbsville Church in 1973.

Mrs. J.L. Chestnutt on behalf of the nominating committee consisting of Mrs. Chestnutt, Mrs. Thomas Asbell and Mrs. Walter Ward, presented the following slate of officers for 1972-73.

Director - Mrs. Frank Barnes, Corapeake, 27926
Assistant Director - Mrs. Joe Thorud, Edenton, 27932
Secretary-Treasurer - Mrs. Joe Webb, Jr., Edenton, 27932
Baptist Women Director - Mrs. Royce Vickers, Hertford, 27944
Baptist Young Women Director - Mrs. John Stillman, Roper, 27970
Acteen Director - Mrs. Gerald Warren, Elizabeth City, 27909
Girls in Action Director - Mrs. Wade Jordan, Jr., Elizabeth City, 27909

Mission Friends - Mrs. Gilbert Hare, Tyner, 27980

These were duly elected and the prayer of dedication was led by Reverend Glenn Greenway.

Following the humn, "'Tis So Sweet to Trust in Jesus", offering and prayer, Mrs. Basnight introduced the speaker of the evening, Mrs. Kenneth Berg. Mrs. Berg is from the First Baptist Church of Suffolk, Virginia where her husband is pastor. She spoke very effectively on her "Trip to the Holy Land", using various scriptures and bringing out the fact that the holy places are not where we visit but within us. We take them wherever we go.

The meeting closed with prayer by Mrs. Basnight.

Approximately 150 attended and total collection was $94.65.

Respectfully submitted,
Mrs. Cecil Basnight, Director

23. Bob Poole presented resolution to Liquor-by-the-drink referendum, and moved its adoption. The motion was seconded and carried unanimously.

A RESOLUTION IN OPPOSITION TO THE SALE OF
MIXED BEVERAGES (LIQUOR-BY-THE-DRINK)

WHEREAS, North Carolina citizens will go to the polls on November 6, 1973 to determine whether or not liquor-by-the-drink can be sold in North Carolina:
WHEREAS, according to the Health, Education, Welfare report of December, 1971, on Alcohol and Health, reveals that states with by-bottle sales only (as in N.C.) have a lower per capita consumption rate of liquor than states with by-bottle and by-drink sales; and in fact, N.C. is 42nd in rank in per capita consumption:
WHEREAS, greater consumption will result in more alcohol-related problems, especially the number of alcoholics; and according to the Rutgers University School of Alcohol Studies, N.C. ranks 47th in number of alcoholics per 100,000 population;
WHEREAS, liquor-by-the-drink will encourage drinking and driving when we are now told by highway experts that in the last three years at least 64% of all highway fatalities reveal evidence of "Whiskey-at-the-wheel;"
WHEREAS, the proposed referendum does not deal with the "brow-bagging" problem, but just adds another dimension to the distribution of liquor in N.C.;
WHEREAS, tourism is growing in North Carolina without liquor-by-the-drink, which reveals that liquor-by-the-drink is not needed in a state where its tourism is family oriented;
WHEREAS, liquor-by-the-drink is being promoted basically by those who seek to make fantastic profits from the sale of liquor;

WHEREAS, our Federal Government states that liquor is our number one drug problem;
WHEREAS, liquor-by-the-drink will mean more social pressure on our young people;
WHEREAS, liquor-by-the-drink is a foot in the door for open bars;
WHEREAS, liquor-by-the-drink will mean more crime in our communities;
WHEREAS, liquor-by-the-drink is usually followed by efforts to legalize gambling;

THEREFORE, BE IT RESOLVED that the Chowan Baptist Association does hereby express its opposition to liquor-by-the-drink and that we, the messengers, will seek to inform our people with the truth concerning this issue; that we will pledge our financial support; and that we will undergird the Christian Action League with our prayer support so that this matter will be defeated in North Carolina on November 6, 1973.

24. Ralph Knight presented the Sunday School Report and moved its adoption. The motion was seconded and carried.

SUNDAY SCHOOL REPORT

In 1971 our Chowan Associational Churches reported 10,421 enrolled in our Sunday Schools, and in 1972 this figure was raised to 10,538, a modest increase of 117. We are thankful for this increase, for it is an indication of a rising concern for reaching people for Bible study. We are hoping now that the report this year will reveal a continuation of this interest.

Preliminary reports also reveal that we are concerned about reaching people through our Vacation Bible Schools. Four of our associational team attended the state clinic at Wingate, and a full team was on hand for the one day V.B.S. Clinic at Hertford Baptist Church on April 3. We had a total of 261 present for the training received at this clinic, and therefore reached more workers in the one-day clinic than in the two-day clinic the previous year.

This past year our Sunday School feature was the One-Night Area Sunday School Revival, which was held at the Edenton Baptist Church on February 14 with over 400 present. Your Associational Director attended several of these one-night revivals across our state, and much interest was shown in the need of a revival in our Sunday Schools.

Many our associational churches had Sunday School workshops in their own church, and your Director was privileged to participate in many of these.

Plans are now being made to send an Associational team to a regional workshop in Williamston on February 22, 1974, and to use this team of workers in an Associational Workshop on March 18,19, 1974. Please put this date in your Calendar for the new year, and let's train as many of our Sunday School workers as possible. If enough interest is shown we can also have an Associational Director-Led Sunday School Enlargement and Improvement Campaign, with help from our state office in Raleigh. Many associations are involved in this program, and receiving much help through it.

Respectfully submitted,
Ralph W. Knight, Director

25. Mike Aydlett presented the Training Union report and moved its adoption. The motion was seconded and carried.

CHURCH TRAINING REPORT

In order to gain an overall concept of our Associational Church Training program, we must glance backward to the records of the past and gaze forward to future possibilities:

First, The BACKWARD GLANCE:

From the 1972 minutes of Chowan Baptist Association, the following statistics are taken:

17 Churches reported church training programs with a total enrolment of 877 and total average attendance of 555. 38 churches reported no church training programs (Not a pretty picture)

Next, The FORWARD GAZE:

The church training departments of the Southern Baptist Convention and the State Baptist Convention have combined efforts to promote and aid church training. The 1973-74 theme is "Church - The Sunday Night Place To Be." The Quarterly themes are:

October - December: Developing a Training Fellowship
January - March: Growing in Discipleship
April - June: Strengthening Family Fellowship
July - September: Enjoying the Christian Community

26. William Watson presented the Youth Committee Report and moved its adoption. The motion was seconded and carried.

YOUTH COMMITTEE REPORT

The Youth Committee of our Association has had a very busy and exciting year. This year, the youth Committee with the assistance of youth from across the Chowan Association took part in the building of this new ministry. With two week-end retreats at Camp Cale, one led by John Allums, Minister of Youth and Music of Edenton Baptist Church with special guest speakers Mr. and Mrs. Jim Miller; the other led by Buddy Watson, pastor of Beulah Baptist Church, with special guests Mr. and Mrs. Dudley Neal as speakers.

With different members of the youth committee and other churches taking a night, we carried the gospel in a new way to the Chowan County Fair. Corinth Baptist Church was the host of a youth song festival. The Lord gave us a beautiful day and the prayer garden came to life for Christ as the youth of our Association gave forth in praising His Name in song. After a break for dinner, we concluded the day with a special movie SO LONG JOEY. Truly a wonderful day for our Lord.

The youth committee is now working on a special music program written by John Allums entitled "The True Vine." We pray that over 200 youth from our association will take part in this ministry of music. "The True Vine" will be presented December 9, 1973, at the Edenton Baptist Church and on request by other churches of the Association.

The purpose of these activities has been to help our youth find a true and meaningful life in Christ Jesus. To help them realize the importance of making the world a better place to live in and encourage them to accept personal responsibility in it through this every day action.

Respectfully submitted
William Watson, Chairman

27. Mike Aydlett presented the Brotherhood report and moved its adoption. The motion was seconded and carried.

BROTHERHOOD REPORT

In his book, PEACE WITH GOD, Billy Graham said, "Jesus taught that we are to take regeneration in one hand and a cup of cold water in the other."

This is saying that as Christians we have a responsibility to witness and minister to persons in need of spiritual help as well as physical help.

This seems to be easily accomplished doesn't it? Well, sometimes it is, but many times it is very difficult, as many witnessing Christians will testify.

Before Christians can effectively witness and minister to others, they must be informed about specific needs of persons which they can help meet, motivated to meet those needs, trained in effective witnessing methods, and inspired to dedicate their resources of mission involvement.

There is one organization which does this for men and boys of our Baptist churches, and it is the Brotherhood. The boys organization is called Royal Ambassadors, the men's organization - Baptist Men.

The highlight of our 1972-73 year centered around the Associational R.A. Track Meet held at the Hertford High School in April with seven churches and 44 boys participating. Seventeen boys came in first place and earned the right to participate in the Statewide R.A. Track Meet held at Garner Webb College, Boiling Springs, N.C. Approximatley 400 boys were in competition at this meet and out of this the Chowan Association can proudly boast of one first place winner. Mr. Marty Riddick, age 14, member of the Sandy Cross Baptist Church in Gates County, placed first in the LONG JUMP event.

Also, we want to express our appreciation to the two men that made this past year's meet such a huge success - Mr. Fahey Harrell and Mr. Bill Durham of Berea Baptist Church, Elizabeth City.

Information concerning the Brotherhood is available by contacting Mike Aydlett, P.O. Box 185, Camden, N.C. 27921, or Brotherhood Department, 301 Hillsborough St., Raleigh, N.C. 27611.

WOMAN'S MISSIONARY UNION

As we look over the past year we have reason for gratitude and encouragement but at the same time realize that the challenges facing Christian missions are great. We are proud of our 10 new organizations. Our greatest need is in organizing Baptist Young Women groups. We pray that during the coming year there will be leaders and young women enlisted in the great mission cause.

The annual WMU meeting held at the Hobbsville church in April was well attended with Mrs. J.G. Goodwin, Jr., missionary on furlough from Korea and Miss Kathryn Bullard, State Baptist Women's Director of Raleigh as guest speakers.

Many of the churches observed WMU Focus Week in February with special activities, mission studies prayer breakfasts and fellowship suppers. Enlistment surveys were made. Also the Baptist Womens Day of Prayer in November with a special program and offering was observed.

Most churches had a part in the Foreign and Home Mission Week of Prayer and offerings for the year. Many churches had the Foreign and Home Mission series studies.

The Area WMU Leadership Conference led by our State WMU leaders was held in

Edenton, September 17. This was a highlight of our year for leadership training. Some 100 leaders in our Association attended.

Our Day Camps for Acteens and Girls in Action at Camp Cale were well attended and well directed. Sixty-three Acteens and 259 Girls in Action were present. A Missions Fair for GA's at First Church, Elizabeth City and Acteens Gathering at Berea were outstanding activities.

One of the highlights of our WMU year was the Associational Prayer Retreat at Camp Cale for meditation, prayer, inspiration and testimony time. (125 women were in attendance) It would be a great source of strength to have a Prayer retreat in each of our local churches.

Perhaps we have not worked hard enough on the Giant Step emphasis. It is my desire that we strive to meet these goals by September 1974.

This report is presented with praise and thanksgiving to God and in full reliance upon God's promises we look to the future with confidence that we will continue to go forward in fulfilling our mission task.

Respectfully submitted,
Mrs. Frank Barnes

CAMP COUNCIL

Camp Cale is a beautiful wooded 76 acres on the northern shores of the Perquimans River. A 600-ft. bulkheaded bank is in the middle of over 1300-ft. of waterfront. A two acre athletic field, just for the parking area, will soon be one of the finest sports areas for all ages. There will be a softball diamond, two tennis courts, two volleyball courts, track course, and many other games and sports. Buildings thus far consist of a grade "A" kitchen and dining hall, a storage building, 3 - 16 bed cabins, a large bath house, 4 - 2 bed cabins for counselors, equipment cabin and a boathouse with six canoes and sailboat. All these buildings are equipped with the necessary items for camping. There is much more to be seen and enjoyed at Camp Cale.

In July, Camp Cale was visited by the most welcome family, the Cales'. They were given a tour of the camp by the director, Larry Key. He also gave them a run down of the camping program. They were delighted to see so many campers, and how it had been developed. They were invited to return, anytime.

Resident camping had its best session last summer with 201 campers. There were less problems and more happiness displayed by the staff and campers. All of the staff

plan to return, except one, which will leave us seeking a young man for nature study counselor.

Every weekend was booked with church picnics and retreats with over 1500 attending. On September 25, 120 members of the Chowan Association WMU enjoyed their annual prayer retreat at Camp Cale. This was a record number. We appreciate the support of the WMU and Baptist Men groups of the Association.

The support of the "Camp Cale Special Fund" has been just great this year. Special gifts from churches, individuals, and W.M.U. groups is over $2,000.00 at this time. These gifts will be used for items wisely selected by the Camp Council. The new 17-ft. sailboat was purchased with special gifts last May. The latest gift is from Mr. Joe Rogerson of Hertford Live Stock, Inc., who gave the applied fertilizer and lime on the waterfront property at the bulkhead. We wish to thank all of you for your gifts.

A work day in August prepared the bulkhead and athletic field for a work day to take place next Saturday, at which time both projects will be seeded with fescue grass. Other development plans are completed. A room was added to the Director's cabin (a bed and dresser given by Miss Mary Lee Jackson), a lean-to over the outdoor drill, and boathouse to house the six canoes and sailboat, and room for more canoes. Each one is locked inside the house. The three double doors of the house are locked also.

The August 6 meeting of the Council put into motion the plan for development of the Master plan that calls for a winterized lodge. The council and many others have been looking forward to this stage of development at Camp Cale. We realize the cost will be about one and one-half times the total already spent. At the same time, we also realize the unlimited activities it will provide throughout the year for all age groups; such as overnight clinics, retreats and workshops. And even the Annual meetings of the Association as this today. It fact, it will be the most convenient and the best location. Even the cost of the annual meeting may be a budget item. The various churches may supply the cooks and maintain the traditional home cooking, or hire professionals.

The construction plans at present are for it to be built in three stages. The first stage will be the assembly room - to seat 200 in chairs and a balcony; the second story level, leading to rooms of stages two and three - seating 50 in chairs. The front end, under the balcony, a large rustic fireplace and just outside, a large rustic chimney. The back end will be a large kitchen. The second stage is to be a wing of rooms - with private baths - to accommodate 50 people. The third stage is to be another wing of rooms to accommodate 50 people. Stage two will connect stage one on the right side. Stage three will connect stage one on the left side. This will complete the building, with a wing of rooms two stories high, on each side of the assembly room. A sketch has been made to give you some idea of how it will look. The outside will conform with the present buildings and blend in with its surrounding just as the other buildings do. We need your help in the final planning and financing.

Prayerfully submitted,
Billy Jackson
Camp Council Chairman

31. Larry McClure presented the Evangelism Report and moved its adoption. The motion was seconded and carried.

EVANGELISM REPORT

Our convention emphasis continues to be toward Lay Evangelism Schools. The response of youth and adults to these schools has been outstanding. In the past twenty months 9,564 youth and adults from 720 churches and 34 associations have participated in these lay witness training opportunities. Also, 107 pastors from 9 associa-

tions shared in a Pastor's retreat to learn how to lead their churches in Lay Evangelism Schools.

Again, the Statewide Youth Evangelism Night at Greensboro Coliseum on August 17 was a great experience for those thousands present. Some wonderful things are happening to the Christian youth across our state.

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings we received from some of our churches here in the Chowan Association. Let us pray more for one another. Commit youself to God and your church to make this year of dedicated service.

Call your Evangelism Committee if there is a place where we can help you do a particular work.

Respectfully submitted,
Larry McClure, Chairman

EXECUTIVE COMMITTEE REPORT

Let me say at the outset that this has been an outstanding year for me. I have made new friends and have enjoyed working with the Executive Committee and all of the sub-committees of the Chowan Baptist Association. May I take this opportunity to express my appreciation to every member of the Executive Committee for their fine work and leadership.

We held the four regular meetings, as required by the Constitution, during the year. Two call meetings were also held. The first call meeting was held at Berea Baptist Church Jan. 26th. The purpose of this meeting was to pass on the recommendation of the Missions Advisory Committee regarding the Kitty Hawk Chapel. This will be brought out in detail by the Rev. Glenn Greenway, chairman of the Missions Advisory Committee.

The second call meeting was held Oct. 23rd. at 3:00 P.M. at Salem Baptist Church. The purpose of this meeting was to hear recommended changes to the constitution and also to hear a report from the Missions Advisory Committee regarding summer work at the Universal Trailer Park just north of Moyock.

As you know the Rev. Sidney Oxendine, Vice-Moderator from Roper, resigned to accept a pastorate at Whiteville, N.C. Therefore, it was necessary for the Executive Committee to elect a Vice-Moderator. The Rev. William E. Carter of Warwick Baptist Church was chosen to fill the unexpired term. Then, too, Rev. Lamar Eiland of Gatesvill church resigned as music director as of June 1st. John Allmus, minister of music of Edenton Baptist Church, was elected to fill this unexpired term.

Several special committees were appointed during the year. They were: a State Missions Offering Committee, chaired by Rev. Ralph Knight, and a committee to study the possibility of working out a schedule with churches to host the Associational annual meetings with George Cooke as chairman; also a Constitutional Committee with Rev. Robert Gray as chairman.

We were requested by Mr. James H. Rose, consultant for the Sunday School Board of the Southern Baptist Convention, to appoint an Associational library contact person. Miss Irene Riddick of Corinth Baptist Church was named to fill this position.

Pastoral aid for the following churches was approved:

Sladesville	$ 600.00
Fairfield	600.00
Rose Bay	600.00

As you perhaps already know, we had lots of labor and machine work donated to Camp Cale during the year. Moody and Marion Harrell donated fifty bales of wheat straw. Then, too, Mr. & Mrs. Warner Madre graciously gave a donation of $100.00. Mr. James Cale of Newport News, Va. gave $1,000.00. I am sure there were many other gifts for which we are grateful.

As I stated before we have had a very good year and with God's help we hope the coming year will be even better.

Respectfully submitted,
Swindell L. Lowery, Moderator

MISSIONS ADVISORY COMMITTEE REPORT

Our work in the Missions Advisory Committee has related to five general areas this year. They are: (1) The organizing of the First Baptist Church of Kitty Hawk which has evolved out of the Kitty Hawk Chapel Ministry (2) The Circus Tent-Showboat Ministry of Kitty Hawk, (3) New plans to realize a ministry at the Universal Trailer Park near Moyock, North Carolina, (4) Supportive efforts to offer a ministry to the Migrants Program, and (5) The Associational Office.

1. The First Baptist Church of Kitty Hawk.

At the close of the 1972 Summer Chapel Ministry at Kitty Hawk you adopted a resolution from the Missions Advisory Committee to permit the use of the Chapel facilities to the newly organized First Baptist Church of Kitty Hawk. (full statement of that resolution is printed on page 30 of the 1972 Chowan Minutes). During the following six months the church showed enthusiastic promise, extended a call to brother W.A. Hales as pastor and began immediately to equip the building for year round use.

On January 26, 1973 the Executive Committee of the Association met at the Berea Baptist Church, in a called meeting, to hear a recommendation from the Missions Advisory Committee concerning the possible transfer of the Kitty Hawk Mission Chapel to the newly organized First Baptist Church of Kitty Hawk. The full recommendation is stated below:

Qualifying Statement and Recommendation:

On December 29, 1972 two members of the Missions Advisory Committee, (George Cooke and Glenn Greenway) along with Brother Swindell Lowery, Moderator of the Association, met with the First Baptist Church of Kitty Hawk in the Kitty Hawk Baptist Chapel to hear, among other reports and requests, and expressed desire to obtain the Chapel and grounds as a permanent location for the First Baptist Church of Kitty Hawk, N.C.

Following that meeting the acting chairman of the Missions Advisory Committee called a meeting of the committee for Sunday Afternoon January 14, at Hertford Baptist Church for the purpose of further evaluating the request of the Kitty Hawk Church. (Members present: George Cooke, W.C. Harrell, Fahey Harrell, and Glenn Greenway.)

Being disposed toward the interest of the Kitty Hawk Church, but feeling we needed more members of the Missions Advisory Committee present, special effort was made to get all members of the Missions Advisory Committee together just prior to the called meeting of the Chowan Baptist Executive Committee being held at Berea Church on Friday evening, January 26, 1973.

The following is a recommendation growing out of that meeting in which all members of the Missions Advisory Committee were present:

We, the Missions Advisory Committee of the Chowan Baptist Association, recommend that the Chowan Baptist Association present the Kitty Hawk Baptist Chapel and grounds to the First Baptist Church of Kitty Hawk without cost or remunerations, but with the following qualifications and stipulations.

That the First Baptist Church of Kitty Hawk, N.C. begin and remain affiliated with the Chowan Baptist Association, or if the Chowan Association should ever be divided, forming two Associations for the purpose of a more effective Chirstian endeavor, then the First Baptist Church of Kitty Hawk would either remain affiliated with the Chowan Association or become affiliated with the new formed

association if the geographic location of Church and association makes membership more meaningful.

That the said Church begin and remain affiliated with the Baptist State Convention of North Carolina.

That the said Church begin and remain affiliated with the Southern Baptist Convention, supporting the full mission program of the Southern Baptist Convention.

(Amendment to the Motion by R.W. Kicklighter) That the Missions Advisory Committee consult with Pastor Hale and the Church and work out an acceptable summer program which would be a joint effort on the part of the local church, the Association, and Baptist State Convention.

If the said church ceases to be a Church, then the building (or buildings), grounds and any physical improvements made, would revert back to the Chowan Association at no cost for the additional buildings or improvements.

If the said Church ceases to be a Missionary Baptist Church after the order of the Southern Baptist Convention it will revert back to the Chowan Baptist Association.

If after a period of ten years, dating from their acceptance into the membership of the Chowan Baptist Association, the First Baptist Church of Kitty Hawk has served, and is continuing to serve as a faithfully affiliated Southern Baptist Church, that the full deed to all properties be given the First Baptist Church of Kitty Hawk thus serving all strings to said properties.

That all papers and final transactions be made in accord with legal advisement, acceptable to both the Chowan Baptist Association and the First Baptist Church of Kitty Hawk, N.C., and that the legal fees be underwritten by the Kitty Hawk Church.

We recommend secondly, that the Chowan Baptist Association give the new Kitty Hawk Baptist Church $1,500.00 from the capitol improvement money so budgeted in the 1972-73 Chowan Association budget for the improvement of Chapel properties.

Respectfully submitted,
Glenn Greenway
Chairman

Rev. W.A. Hales served as pastor until July, resigning on the 20th, his role to be terminated, Sunday, July 29. The Moderator and Chairman of the Missions Committee met with a committee from the church to offer suggestions and help in securing a pastor, or interim pastor. Mr. Bill Creef, a lay preacher, from Berea Church was called and is serving presently as interim.

The church has a present membership of 30 plus and has experienced a favorable year in attendance, decisions, receipts and physical betterment of the building. The future of the church looks good with many permanent prospects already in the area.

Application for admittance into the Association lies in the hands of the Credentials Committee, but both the church and Missions Advisory Committee feel that they are not yet organizationally ready for acceptance. An evaluation meeting to this interest was held with the church in July and a mutual consent was accepted.

2. The Circus Tent-Showboat Ministry

In addition to the Baptist State Convention's support to the Circus Tent-Showboat ministry of Kitty Hawk, our Chowan Association has joined other denominations in financial support of that ministry. In accord with the pattern of past years, we again gave $500.00 to this ministry.

The annual report of the Circus Tent program reveals that the 1973 season was the best ever with over 500 volunteer workers involved, an estimated 55,000-60,000 persons in attendance during the 10 weeks summer program, many lives changed and many personal commitments made to Christ.

The proposed Showboat Ministry is showing great promise and will offer a year round program for all ages.

3. Universal Trailer Park Ministry

On Monday, September 23, the Missions Advisory Committee along with the Moderator, Mr. Swindell Lowery, met with Dr. Howard Ford, Director of the Division of Missions Ministries of our State Convention, seeking his evaluation of our Missions efforts and his advice in particular concerning a ministry at the Universal Trailer Park near Moyock, N.C. Rev. Brian Tifany, new pastor at Moyock Church, was asked to meet with us to inform us of any new efforts or developments toward a definite ministry to the Park. After hearing reports, conversing by phone with personality associated with the Park and sensing the great continuing need there for a definite ministry the committee adopted a proposal to try to secure a summer worker from the Home Mission Board or the Youth Corp to come into the area next summer and work under the Moyock Church offering a day by day ministry in spiritual challenge, Vacation Bible School and recreation in the hope of raising up a nucleus around which a church hopefully will be realized.

Mr. Roy Smith, Director of Town and Country and Seminary Extension has been contacted and he assures us the most qualified worker available for this work.

4. Migrant Ministry

The Missions Advisory Committee has worked in a supportive way to Mrs. Anne Basnight, area coordinator for Migrant Ministries, working under Mr. Earnest C. Upchurch, Director of the City and Metropolitan Missions of our State Convention. Much time and concerted plans were utilized this past spring in an effort to offer a two week ministry to the migrants by a group of six BSU summer workers, only to see the whole program cancelled at the last minute by the local Migrant Council. Money for support of the two week program had been secured from the Churches of the Association and the Associational Treasury, and everything was progressing until the local Migrant Director related at the last minute that there was no way to utilize the program.

5. The Association Office

Mrs. Glenn Lane of the Associational Office continues to be one of the strongest personalities of our Mission Advisory efforts. Her dedicated capabilities endowed by her deep Christian spirit, not only assures efficiency of the highest quality, but strengthens the efforts through prayer and spiritual concern.

REPORT OF STANDING COMMITTEES

BAPTIST HOSPITAL REPORT

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations;

1. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000--nearly four time the amount of the Mother's Day Offering--and this does not include the value of physicians' service, provided without cost to these patients.

2. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.

3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satellite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has not been a general room rate increase in 2 1/2 years. As of this date, the Mother's Day Offering are running ahead of last year.

TEMPERANCE AND MORALS REPORT

Paul, the great Apostle to the Gentiles wrote,"it is good neither to eat flesh, nor to drink wine, nor anything whereby thy brother stumbleth, or is offended or is made weak" Romans 14:21. We are living in perilous times. Ours is the most civilized, educated, and Christianized nation in the world, and yet 37 million of our children receive absolutely no religious instruction in church or home. Whenever 30 people are born, only one is born under the influence of Christianity. There are 123 million churchgoers in the United States, more than ever before, an increase in church-goers of 2 per cent in one year. But at the same time crime increased 7 per cent, illegitimacy 100 per cent, pornography is now a 200-million dollar business each year. Venereal disease has has increased 400 per cent in ten years and 72 per cent last year. Our crime bill is $20-Billion a year, crime is increasing seven times faster than our juvenile population is increasing, and for ever dollar that we spend in churches, Jewish Catholic and Protestant, we spend 12,000 on crime. Our nation has five-million alcoholics, three-and-a-half million problem drinkers that are on their way to becoming alcoholics.

If we combined all of our places of worship of all faiths, there are 175,000 more taverns than there are churches in our land, and we will have many more to add to this already growing list here in our state of North Carolina if we as Christians do not take our stand and vote NO against the Liquor By The Drink Bill which will be voted on in November. Habakkuk 2:15 says, "Woe unto him that giveth his neighbour drink, that puttest thy bottle to him, and makest him drunken also, that thou mayest look on their nakedness."

BAPTIST HOMES FOR THE AGING REPORT

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston-Salem (Rest-haven and the Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity of 162 residents, and there is a Nursing Care Unit in Winston-Salem with a capacity for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry,on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total income of the Homes, and through the Cooperative Program, you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make possible quality care. It has

often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of Heaven than the care give in our Homes for the Aging. Everything that we do for Christ should be this way, and we are certainly trying to give him our best day by day in our ministry to the older people in our care.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for them. Visit them, and continue to support this ministry as liberally and loyally in the future as you have in the past.

Mrs. Joe Webb, Jr.

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention this year added new benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by 6 per cent. Just before Christimas, 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra months' benefits. The "13 Checks" are paid in addition to the regular monthly payments.

Participants in Plans A-10, A-11 and A-25 on January 1, 1973 had their accrued credits increased by 10 per cent in "good experience credit," and Plan B participants received an additional interest credit based on the Board's good experience on its investments. In addition, the Board approved (subject to action by state conventions) an increase in widow benefits under Plan A to 50 per cent of the potential or actual retirement benefit: previously it was 40 per cent. This increase applies to those retiring January 1, 1973 and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal retirement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to $333.33 per month for 36 months (or a total of $12,000) if the participant died before age 40. The length of payment of the benefit decreases with the age at death. This benefit is payable to those who died January 1, 1973 or thereafter.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross-Blue Shield to the new plan begun January 1, 1973 with Aetna Life Insurance Company.

The Board reported several records for its operations in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than $22 million. Retirement and other protection benefits paid out for the 12-month period surpassed $10 million for the first time.

Income from premiums and dues topped $30 million, another record.

Information on the Annuity Board may be secured by writing Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

As of June 1, 1973 in the Chowan Association 39 churches were participaing in the Retirement Program.

FOREIGN MISSIONS REPORT

The Great Commission of our Lord has a deep place in the hearts of Southern Baptists. Conditions throughout the world give a sense of urgency to the task our Lord has commanded. The openness of many lands to hear the gospel of Christ provides much

encouragement. The abundant fruit borne by the message of Life stimulates God's servants to maximum endeavor.

As a convention agency, the Foreign Mission Board works through its board members and staff members to implement its role as a deep, broad channel for overseas missions endeavors. The Board meets monthly to hear reports, transact business and consider special foreign mission needs.

Encouraging overseas reports of missionary activities, significant evangelistic results, record financial support by Southern Baptists, and the new calls for co-workers from missionaries sensing new opportunities fed a growing optimism as the year drew to a close.

Strengthening a missionary support received major emphasis during the year in the face of worldwide economic fluctuations, dollar devaluation, and continued inflation, all of which cut deeply into the buying power of the missionary dollar. Much gratitude has been expressed by missionaries for the stewardship of Southern Baptists that has made this added support possible.

A rising tide of missions interest in Eastern and Southern Africa continued during 1972. Many new fields were open. The opportunities await God-called workers in this area and throughout the African continent.

Among the uncertainties and tragedies which were so much a part of existence in Europe and the Middle East during 1972, missionaries continued to work with full confidence that God's ultimate purposes will be fulfilled. Prayers for these faithful servants is always essential, but especially during these times.

Church membership in East Asia during 1972 exceeded 75,000 for the first time. Japan leads in church membership followed by Hong-Kong, Korea, and Tiawan.

Evangelistic efforts, lay involvement, mission planning and dramatic response to broadcast ministries are other signs of progress which lend an air of optimism to future missionary activities in this area of the world.

Earnest prayer is requested that some areas now closed to missionary service may soon open their doors to enable God's servants to resume their efforts on behalf of millions of people who need to know Christ.

STATE MISSIONS

What does Acts 1:8 say to you? To many it reads "You shall be witnesses to me both in your community, and in all of your state, and in adjoining states, and unto the uttermost part of the earth".

More than a century ago it was learned that when strong new churches were to be built in North Carolina, there had to be cooperative effort from the already existing ones. Looking beyond their own communities, churches contributed to the establishment of new congregations whereever a need. Rarely does one find a city, town, or rural area today which has not been influenced and financed in some way by State Missions. Most of the great churches in North Carolina were at one time recipients of mission money given freely by other Christians to help in birthing and nourishing new congregations.

Distance lends enchantment, and when we think of missions we think of foreign fields. Yet the first point of missions must be near at hand, or mission outreach to faraway places can never be accomplished.

The fruit of State Missions can be seen in new churches, salary supplements for mission pastors, associational missions evangelism, church development, seminary extension, aid on church lots, missions to the deaf, Fruitland Bible Institute, pastor's schools, missions in the prisons, Goodwill Centers, Indian mission work, military missions, Interracial aid, and THIS YEAR, State Missions will help with a much needed Conference Center at Camp Caraway. All these fruits produce new roots, which in due

season bring for a more beautiful harvest.

As you give to State Missions, give in the spirit of Christ

And I, the King, will tell them when you did it to those my brothers, you were doing it to me. Matt. 25:40 (TLB)

SOCIAL ACTION REPORT

A college student, trying desperately to sell a set of encyclopediae to a busy farmer, was stumbling up one row and down another extolling the virtues of his set of books. The old gentleman, having neither the time nor the inclination to listen, kept right on plowing, shaking his head as he followed his mule. Finally, in exasperation, the youngster shouted, "Mister, with this set of books you can farm twice as good as you're doing!"

The farmer dragged the mule to a stop, rested the reins, turned with a half-wistful smile and replied, "That just goes to prove what I've been tryin' to tell you: "I don't NEED those books." "But why?" came the exasperated query. . . .and swiftly and surely came the answer, "'cause I'm not farmin' now half as good as I know to!"

THIS IS WHERE WE ARE ON THE SOCIAL ACTION FRONT! It does little good to list the evils which need to be attacked. We KNOW that liquor, whether mixed and by-the-drink, sold through ABC stores legally, boot legged, or made in your basement, is wrong. Illicit sexual relations and the exploitation of the sexual impulse through all forms of advertising, is wrong; profanity, whether it's done by you when you hit your thumb with a hammer, or by the truck driver who hits your automobile, is wrong; pornography, disease, malnutrition, drugs - none of these are GOD's plan - and WE KNOW IT!

But the solution is not in legislation, as some believe. Laws help, but you cannot legislate righteousness.

The solution is not even in the churches, as many proclaim. Certainly the churches must be involved institutionally in the solution of the world's problems, but you cannot institutionalize CONCERN.

If our generation is to have a worthy part in healing our sick world - and so far it has not - it must begin with me and you, on our knees, in our homes, with our children. When God's people, who are called by his Name, get selfishness out of the center of living and get their hearts right with him, Christian social action will explode into the world, for the dynamite of God will be released through the lives of his people. There is no other way; we are all He has!

HOME MISSIONS REPORT

The people of the nation hunger for values, meaning in life, purpose and for God. Southern Baptists are committed to meeting these needs, to make disciples of all persons through faith in Jesus Christ.

An effective, well-trained mission force, for the most part supports and supervised in cooperation with the state mission board, serves in fifty states, Panama and Puerto Rico. For the third year this force remains at 2,200, not because of a lack of volunteers but because inflation cut away at the agency's ability to finance a larger number. More than 150 qualified workers have contacted the Board for appointment, but funds are not available.

More effective ways to conduct missions in the United States through volunteers and with no increased funds continue to be found by the Home Mission Board. The laity have become the key force within the three major emphases of the Board; evangelism

has activated a force of more than 125,000 lay evangelists through the lay evangelism schools; Christian social ministries depend 90 percent on volunteers for their work; and church extension enlists the lay person to lead in Bible fellowship in homes; many growing to form the basis for the new mission and churches. The national turn to meet deep spiritual needs, coupled with the emphasis upon lay training, new methods in witnessing, and a turning outward to go where the people are enables Southern Baptists to baptize 23,000 more persons than at any time in history. The Division of Evangelism during the year has strengthened its ministry on campus, in out-reach to high school young people, and in establishing a life-style evangelism through renewal evangelism.

It may well be the most significant challenge of our time is the challenge to help claim America for Christ to a degree never before true.

REPORT ON CHRISTIAN LITERATURE

"Give attention to reading", said Paul, in writing to Timothy (I Tim. 4:13). In the first century A.D., the people had no newspapers, no magazines, or printing presses. But it was necessary for them to read to find the truth. Never before has there been so much to read, as we have today. Much of this flood of reading is bad; so Christian people must continually cast aside the evil and turn to that which is good. The Bible of course occupies first place always as we read to become better acquainted with the TRUTH. All other Christian literature must be dedicated to the furtherance of the Gospel, or it fails in its noble purpose.

The printed page has great power for good or for evil. Money hungry publishers without Christian motives are pouring obscene printed matter on the newsstands to capture the minds of all who will stop, look, buy, and read. Southern Baptists have no need to buy or read such filthy matter, because they have an immense volume of clean, uplifting Christian literature coming from the Baptist presses and other sources to suit the needs of all ages of persons.

It is forever essential for Baptists to have a medium of communication for news and discussion. They must know what their fellow Baptists are doing in the work of missions, evangelism, stewardships, education, Christian training and benevolence. Baptists must read in order to understand the magnitude and glory of Baptist growth. Informed people must be a reading people. They must know if they are to grow.

North Carolina Baptists are fortunate indeed to have such an informative publication edited by J. Marsh Grant. Those who receive the BIBLICAL RECORDER know that it contains timely editorials, news of their sister Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns, Letters to the Editor, and many other informative features. It is truly a Baptist family journal devoted to that which is wholesome and helpful for the Christian family.

Although circulation has reached 106,000, too many North Carolina Baptist families are not receiving the BIBLCAL RECORDER. Let's make every effort to get the RECORDER IN EVERY NORTH CAROLINA BAPTIST HOME!

Respectively Submitted,
William E. Carter

CHRISTIAN EDUCATION

The continuing crisis in the field of Christian Higher Education increasingly focuses on two related and pivotal issues: finances and student enrollment. The plight of the private college in America today is acute. Many are operating on deficit budgets with

declining student bodies. Some face the immediate prospect of closing their doors. The cost differential of a college education in our private institutions and our state-supported institutions is forcing more and more of our sons and daughters to enroll in state universities when they prefer the private or church-related school.

Our primary concern as Baptists in North Carolina in the field of higher education is to provide a Christian atmosphere in which young people may continue their search for truth and a way of life. The dilemma we face is how to meet the rapidly rising cost of operating and maintaining our educational institutions without pricing ourselves out of the college market.

Periodic increases in tuition, fees and room and board reflect more than solve the problem. Student charges cover less than 50% of the college budget. Unlike the state institutions a Baptist college cannot turn to tax funds in order to meet the requirements of a balanced budget. Our colleges are dependent on our churches, individuals and charitable institutions for much of their financial support. We must increase significantly our gifts to our schools through the Cooperative Program and the special offering on Baptist College Day. Sizeable gifts from foundations, trusts and individuals for endowment and scholarships are a necessity.

Applications for admission to private colleges are declining on the national scene. Fortunately, our Baptist colleges in North Carolina are experiencing a rising or stabilized enrollment. However, increased student costs and the end of the draft are indicating a potential problem in student enrollment for the future. We can encourage the young people in our communities to consider the advantages offered by Baptist colleges and the scholarships available at these institutions. The increased costs to the students are being matched by additional and enlarged scholarships. Churches can supply this information to young people and their parents. Churches may establish scholarships for students in their community.

Gratitude, support and concern must mark our attitude toward the one university, the six colleges, and the Bible institute which are members of the Baptist Family in North Carolina.

MINUTES OF THE APRIL 10 W.M.U. MEETING

The Chowan Association W.M.U. convened for it's sixty-eight annual session on April 10, 1973 at 10 A.M. in the Hobbsville Baptist Church. Mrs. Frank Barnes, Director, presided using the theme "G" in Giant Step Means God - M in Missions Means Me".

The morning session opened with the hymn, "Heralds of Christ", led by Reverend E. Lamar Eiland of Gatesville Church. Mrs. Robert Gray of Edenton, Director, Baptist Women, led the morning meditation using scripture from Psalm 2 directing her remarks to the topic "Ask of Me" and saying we should be more prayerful as we plan. Mrs. Gray led the prayer with emphasis on the prayer calendar. Special music was then brought by Mrs. Joyce Snell of Roper Church whose song, "So Send I You", was interspersed with appropriate remarks of gratitude and praise. She was accompanied by Mrs. Perla Bray.

Mrs. Durwood Evans, director of Hobbsville W.M.U., expressed warm words of welcome and made announcements for the day. In response Mrs. Herbert Hemingway of Powell's Point W.M.U. said the prospects of the day like Pet Milk - "Make Me Happy".

Mr. Billy Jackson reported each year is better at Camp Cale, acknowledged gifts from James Cale, W.M.U. and individuals and asked for continued prayers and help in future plans for more building.

24. Ralph Knight presented the Sunday School Report and moved its adoption. The motion was seconded and carried.

SUNDAY SCHOOL REPORT

Our Associational enrolment in the Sunday Schools for 1973 was 10,461, which is a -0.8 percent from the 1972 enrolment of 10,538. Even though there is a drop in the enrolment I am happy to report that there is an increase in the spirit, and enthusiasm of our Sunday School workers, which simply means that we are looking for an increase in the enrolment for the coming year. There was a gain however in the overall totals for our state. We went from 700,820 in 1972 to 703,919 in 1973. Fifty-two of our associations in the state had gains for the year, while 28 reported losses. So you can see our standing in the state report.

We had three Associational training clinics last year which provided some very good training for our church Sunday School leaders.

We sent a team of leaders to a state leadership school in Williamston on February 22, and this team then conducted a two-day Teaching Improvement Clinic at Corinth Baptist Church on March 18, 19. The response to this clinic was very good with a total of 153 enroled for study. Opinion was expressed that we have more workshops like this one in the future.

Our Vacation Bible School Clinic was held at the Hertford Baptist Church on April 2, with a total of 216 enroled in the various age divisions. Many VBS reports have been received telling of many good schools in the churches, as well as mission schools. We are happy to report that several churches sponsored Adult Bible Study classes during the summer.

The Bible Conference held at Blackwell Memorial Baptist Church on September 24, 25, 26, both morning and evening was something new for our Association, and proved to be very successful. Dr. Nathan Brooks taught the Book of Acts at the morning class, and the book of Jonah during the evening class, while Mr. Burrell Lucas gave a lesson preview of the coming year to the Adult and Youth teachers. Approximately 96 attended the morning sessions and 84 the evening classes, for a total of about 180 of our leaders participating.

Plans are now in the making for an emphasis on Adults for the new year. Our Association has been divided into seven areas, and there will be an Adult Leadership Clinic in each of these areas on February 25, 1975. This will be followed by ADULT APPRECIATION DAY on Sunday, April 13, 1975. Our VBS Clinic is scheduled for Tuesday, April 1, 1975.

Respectfully submitted,
Ralph W. Knight
Sunday School Director

25. Bond Sawyer presented the Church Training Report and moved its adoption. The motion was seconded and carried.

CHURCH TRAINING REPORT

The struggle goes on! ..... That is, the struggle to develop the awareness of the need to train for Christian Services and the enthusiasm necessary to have an on-going Church Training Program.

There are a few churches in our Association that report good response to new and innovative ideas in their training programs. For instance, one church has the CIA at work in their church (Christian's in Action). In another church the Director of a newly organized Church Training Department requested help in organizing. Other church leaders are encouraged to take a look at the new materials available through the Convention. Maurice Cooper, Church Training Director for North Carolina Baptist

Convention urges us to make use of the services that he and his staff can provide to individual churches and associations.

Respectfully submitted,
Wayne Driggers, Director

26. Bond Sawyer presented the Brotherhood report and moved its adoption. The motion was seconded and carried.

BROTHERHOOD REPORT

A Brotherhood program in a Baptist Church is composed of one or more of the following units: Baptist men, Baptist young men and Royal Ambassadors. The objective of the Brotherhood program is to advance the cause for Christ through an organized program of missionary education and missions promotion designed to inform, motivate, and involve men and boys in the mission tools, of their church. Does your church have a Brotherhood program? SHOULD IT?

Again this year the RA's are the most active in our associational Brotherhood program with the RA's track meet being the focal points. On April 27, 1974 the Chowan Association held its associational track meet at the J.C. Sawyer School in Elizabeth City. There were six churches represented and they were: Rocky Hock, Hertford, Woodville, Berea, Salem and Reynoldson. First, second and third place trophies were awarded to the top three finishers. They were Berea 1st, Hertford 2nd and Salem 3rd.

We would like to encourage more participation in our annual Associational track meet, the next track meet being held April 26, 1975 at a location to be announced later.

We did not attend the State Track Meet this year, because of the long distance to travel, which was held at Gardner Webb College.

Plan to be with us at the track meet next year.

Also upcoming for the new year 74-75 is an Associational basketball league which has come about from a meeting held at Hertford Baptist Church on October 15, 1974. At this meeting about six churches are now involved. This will be R.A. oriented and supported by the Brotherhood.

This past year has brought about one other "first" and that is a Regional Brotherhood Workshop was held at Edenton Baptist Church in Edenton, N.C. on Tuesday night September 24, which brought together for the first time a joint meeting of the Chowan Association and the West Chowan Association with a total of 35 men attending.

Five different conferences were taught by men from each association. They are as listed:

Brotherhood Administration - Vincent Young, Aulander; Baptist Men - Bob Poole, Elizabeth City; R.A. Leader and Committee - Walter Hill, Windsor; Pioneer R.A. Counselors - Norman Harris, Hertford; Older and Younger Crusader Counselor - Robert White, Aulander.

This meeting was brought about and organized through the efforts of Mr. Fahey Harrell, Berea Baptist Church, Elizabeth City, N.C.

Only through the efforts of each individual in each church can the mission PROJECT grow, which was given to Christians as our responsibility for the ongoing of mankind through the Divine sacrifice of our Lord in the giving of His Son Jesus Christ.

Respectfully submitted,
Fahey Harrell

27. Mrs. Frank Barnes presented the Woman's Missionary Union Report and moved its adoption. The motion was seconded and carried.

WOMAN'S MISSIONARY UNION

The Chowan Associational WMU has so much of the goodness of God for which to be thankful. In the churches which compass the Association, women and youth enjoy a wonderful fellowship through service in Woman's Missionary Union.

Our missionary guest speaker at the annual meeting held at Rocky Hock church in April was Mrs. Ronald C. Hill, missionary to Thailand. Her message and that of Miss Nancy Curtis, State Baptist Young Women Director brought to us a very real challenge of our responsibility and opportunities "to serve the Lord Christ."

Women and youth have learned that they can help the world know Christ through their mission study, prayers and gifts. Most churches had the graded series studies, observed in the Week of Prayer for Home and Foreign Missions and Baptist Women's Day of Prayer. Only 5 churches had a Prayer Retreat. Would that more would feel the need of a Special Prayer Retreat within their own group.

Many of our churches observed Focus Week in February with Family Night, Prayer Breakfasts, suppers w ith missionary speakers, etc.

Our Day Camps for Acteens and Girls in Action were well attended. Eighty five Acteens and 255 girls in Action were present. Attendance at Camp Cale afforded unusual opportunities for enlarging missionary vision, deepening Christian experience, and enriching fellowship and contacts. A Fact, Fun and Fellowship Rally was held at Providence church with 250 Girls in Action present and a Missions Career Fair at Sawyer's Creek church with 200 GA's present. Among the activities of the Acteens w as the sponsorship of Dr. Charles Petty, Director of N.C. Baptist Council to a capacity audience at Woodville church and an Acteens Gathering at Sandy Cross church featuring International Students from Chowan College.

The Associational WMU Leadership Conference conducted by our Associational WMU leaders was held at Corinth Church, September 17. There were 26 churches represented with 124 leaders attending. A most inspiring Prayer Retreat was experienced at Camp Cale on September 24 with Rev. Brian Tiffany of Moyock Baptist Church conducting the Bible Study. There were 65 in attendance.

One of the highlights of our WMU year was the forming of a Baptist Young Women Associational Organization. There has been reported 4 Baptist Young Women groups, 3 Acteens, 1 Girls in Action and 5 Mission Friends organizations during the year.

Although the year's work was one of many accomplishments there are many things yet to be done for the Master. May each of us accept the challenge to become better informed of the missionary needs, spend more time in prayer and be willing to give more to the missionary cause around the world.

It is with joy that we as members of the Chowan Associational WMU "labor together" carrying out Jesus' commission.

Respectfully submitted,
Mrs. Frank Barnes
WMU Director

28. Ann Basnight presented the Camp Cale report and moved its adoption. The motion passed.

CAMP CALE REPORT

The Camp Cale Council wishes to share some of its pride in past Camp directors.

Jack and Jackie Clifford, pastor of a large church near Washington, D.C. have two fine children, Kimberly and Bradley. They served as director two seasons. We have

enjoyed their visits each year since then. Dudley and Diane Neal, pastor in Washington, N.C., were guest leaders of the most successful youth week-end this summer. They served as Director two seasons. Larry and Leslie Key, pastor at Engelhard, N.C., and student at Southeastern Seminary served one season. They all express high regards for their experiences at Camp Cale.

This season was directed very efficiently by Bill and Martha Willard. Bill is a student at Southeastern Seminary. Martha is a school teacher. They came to Camp Cale with a great deal of camping experiences as counselors. Bill preached several Sundays as supply during the camping season. All through resident Camping, Bill and Martha took pictures, and are preparing an hour long promotion program of Camp Cale. We hope to take this program in many of our churches before next summer.

Brochures will be mailed to prospective campers as usual with an application form attached. The health form and instruction sheet will be sent to all who send in their reservation form and fee of $10.00. The camper will pay $20.00 on arrival at camp. Youth week-end fee $12.00 per week-end. A copy of the camping schedule will be in the Associational Minutes. We urge you to see that your Sunday School Director furnish the Associational office with names and addresses of young people from ages 9 through 17 who did not get a brochure last year, or a complete list of ages 9 through 17, giving the name, address and age of each one.

A second concrete tennis court is to be poured next spring, at which time the fence around them is to be finished. Trimming, cleaning-up and repairs call for several work days before next June, and more help is needed to get the job done.

The Camp Cale Special Fund is growing. We appreciate your gifts very much, and assure you that they shall be used wisely.

May we not say 'THEY' have a nice camp, but rather, let us say 'OUR' Camp Cale is beautiful.

Respectfully submitted,
Billy Jackson
Camp Council Chairman

EVANGELISM REPORT

"Sharing His Love and Spirit" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism. Many from our association were present. We urge you to make plans now for the 1975 conference. The 29th Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, February 3-5, 1975.

God greatly blessed the evangelistic ministry of three summer youth evangelism teams. These college students led in music, preaching and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton. We would encourage you to plan now for a youth revival in your church next summer.

About 15,000 youth, pastors, adult leaders attended the Statewide Youth Evangelism Night, August 16, at the Greensboro Coliseum. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Pastoral Ministries Workshop January 14,16, 1974 involved about 30 of our ministers. This proved to be a time of study and revival. We anticipate another great workshop May 5-9, 1975.

Many excellent reports have been shared from revival meetings here in our association. Pray for another - commit yourself to God's service, and ask God for an out-pouring of His Spirit on our churches.

EXECUTIVE COMMITTEE REPORT

This has been a very busy associational year. We held four regular executive committee meetings and one called meeting.

At the December meeting it was brought to our attention that a job description should be outlined for our associational secretary. A committee composed of Rev. R.W. Kicklighter, Chairman, Rev. Glenn Greenway, Rev. Robert Poole, Rev. Robert Gray and Mr. Meredith Lowe was appointed to work out these guidelines. Their report was adopted at the March meeting.

Rev. George Cooke was appointed stewardship chairman of our Association.

Several churches in our Association had problems during the year. The Chairman of the missions advisory committee and the credentials committee along with the Moderator visited these churches and helped work out their dilemmas. Now these churches seem to be progressing nicely.

Mr. John Elliott, who has been our treasurer for six years, was stricken with illness and was unable to continue the fine work and leadership he had given the Association. He found it necessary to resign. Mr. Earl Harrell was elected by the Executive Committee to fill his unexpired term.

For several months we did not have a vice-moderator as Rev. William Carter moved from our Association to Portsmouth, Virginia.

The Missions Advisory Committee secured a summer worker to assist the pastor of Moyock Baptist Church in the work at the Universal Trailer Park. We believe much good was accomplished by this new endeavor.

Much work was done with migrants in and around Columbia, and we are indebted to the ministers in that area for such a fine job. The Executive Committee is recommending that the Association appropriate money to continue this work and also migrant work around the Elizabeth City area.

Camp Cale has proven to be a valuable asset in training the youth of our churches in the Chowan Association. We hope it will continue to grow as it has in the past and that we will soon have a year round program there.

Pastoral aid of $600.00 was approved for the churches of Sladesville, Fairfield and Rose Bay.

As your Moderator, I have visited 18 different churches, Chowan College, as well as different committee meetings, traveling more than 1,800 miles. Serving as your Moderator for the past two years has been one of the highlights of my religious experience.

May I take this opportunity to express my appreciation for the fine work and co-operation of the different committees, the ministers, the lay leaders and our Associational secretary. Had it not been for the wise guidance, the love of God, and the love of people we could not have progressed in our Association as we have.

Respectfully submitted,
S.L. Lowery, Moderator

ANNUAL AUDIT REPORT

This is to certify that I have audited the books of the Association, as kept by Earl G. Harrell, Treasurer, and find them in good order. I do also certify that the foregoing report represents the business of the Association for the year ending Sept. 30, 1974 and that it is correct as stated.

Respectfully submitted,
J.A. Curran

46. The report of the Missions Advisory Committee was presented by Glenn D. Greenway, who moved its adoption. The motion was seconded and carried.

MISSIONS ADVISORY COMMITTEE REPORT

The work of the Missions Advisory Committee has followed the same general pattern of last year in that much of the work has been a carry over. (1) We have related to the First Baptist Church of Kitty Hawk in their fuller organizational work. (2) We were able to realize a ministry at the Universal Trailer Park for the first time under the leadership of Mike Pack, a Youth Corp worker of our State Convention. (3) The Circus Tent-Show Boat Ministry on the Dare Beach. (4) Supportive work to the Migrant Program directed by Mrs. Ann Basnight. (5) The Associational Office.

1. The First Baptist Church of Kitty Hawk.

The work of the committee with the Kitty Hawk Church has been basically an advisory role as that church has strengthened its organization, developed a fuller program and began to support the Association in a financial way. The statement of recommendation having to do with turning the Chapel property over to the Kitty Hawk Church (copies in your hand) was examined by Attorney E.R. Woodard in accord with stipulations in the recommendation. This was done in the presence of our Moderator and this chairman. The Kitty Hawk Church has called Rev. Bill Creef as pastor, and is offering services on Sunday morning and Sunday night as well as Wednesday night prayer services. Good reports are being received continually from the Church and they hope to be fully accepted into the Association in this session of the Association.

2. The ministry at the Universal Trailer Park at Moyock was a first in some three or four years effort. Our first effort for last summer was to recruit a Home Mission worker, and we thought one was assigned, but at the last minute we had to substitute for a Youth Corp worker. The worker was Mike Pack from Hickory, N.C. and a freshman at Southeastern Baptist Theological Seminary this fall. Brother Brian Tiffany, pastor of the Moyock Church has agreed to speak to this part of this report since the work at the Trailer Park was under the direct supervision of his church. However, a full report from Mr. Pack is attached to the Missions Advisory records.

3. The Circus Tent-Showboat Ministry:

The Missions Advisory Committee has no real work with the Circus Tent-Showboat Ministry, but rather a representative from our Association is on the Board of Directors of that ministry. However, while the Kitty Hawk Chapel was under the Association as a summer program we did share the summer worker with the Circus Tent ministry. Our Association is still contributing $500.00 a year to that ministry along with other denominations and our State Convention. From the reports received the

Circus Tent-Showboat Ministry was strengthened greatly this past season by the Showboat Ministry which offered spiritual programs along the beat at motels as well as at the Circus tent. Mrs. Faye Nelson, Director of the Showboat ministry will bring the Showboat puppet program to churches on request.

4. The Migrant Ministry:

Again this past season the Missions Advisory Committee worked with the Migrant program in a supportive way. Mrs. Ann Basnight's report covered the program in detail of which we offered any assistance possible. She actually carried the work load of the Migrant Program.

5. The Associational Office:

For the first time since we have had an Associational Secretary we have a clear-cut statement as to her role. This was drawn up by a committee appointed by the Moderator this past year, and while it is referred to as a job description it is meant to define her role and in no way projects any displeasures with Mrs. Lane's work. In fact it defends her in some areas and is printed here to inform you of her duties so you will not call on her for things unrelated to her role. The Job Description:

(1) The Associational Office is directly under the supervision and direction of the Missions Advisory Committee.

(2) The Missions Advisory Committee will review and recommend annually to the Finance Committee matters of salary, fringe benefits, sick leave, vacation, convention/conference, work load, etc.

(3) The Secretary will observe regular office hours as determined by the Missions Advisory Committee.

(4) The Secretary will maintain resource materials on Associational, State, and Southern Baptist Convention agencies and programs. The Associational leadership will advise on the development of these resource materials.

(5) The Secretary will be responsible for the office equipment and proficient in its use.

(6) The Secretary will be responsible for the care of the checking out and in of Associational equipment and materials.

(7) The Secretary will assist the Associational Leadership and Associational organizations through her office in the performance of their duties and responsibilities.

(8) It is not the responsibility of the Secretary to perform work for individual churches and pastors unless it relates specifically to Associational matters.

(9) The Secretary may be authorized by the Missions Advisory Committee to make normal purchases of needed office supplies, within the limits of the line-item budget.

(10) All matters of office personnel and procedure shall be referred to the Missions Advisory Committee.

Respectfully submitted,
Glenn D. Greenway, Chairman

REPORT OF STANDING COMMITTEES

FOREIGN MISSIONS REPORT

Never have we faced a day when the foreign mission task is more urgently needed. Events in our own country and throughout the world constantly remind us that mankind cannot find salvation in bread alone. The hope of man can rest only in the grace of God made known through Jesus Christ.

The sending and maintaining of missionaries is primarily the Southern Baptist Overseas Mission through the channel of the Foreign Mission Board. At the close of 1973 the Board has an overseas missionary staff of 2,538. This included 172 missionary associates, 3 special project medical personnel, and 137 missionary journeymen. Additions during the year totaled 229.

Leading people to new life in Christ and cultivating New Testament churches are purposes underlying all of our Southern Baptist missionary efforts. Much emphasis is on evangelism and church development and these include many types of ministries - radio and television, English language churches, lay leadership training, stewardship promotion, camps and conferences, work with women, men and youth, music and religious education.

As the literacy rate rises in many overseas lands, the ministry of publication becomes increasingly important as a means of evangelism and church growth.

Witnessing through healing - a ministry of compassion - has always been an integral part of Christian missions. In cooperation with national medical personnel, this witness is expressed by Southern Baptists through hospitals, dental clinics, dispensaries, and day clinics, nursing schools and other health care ministries in overseas lands.

At the end of 1973 Southern Baptist contributions for foreign missions totaled $39,435,694. The Lottie Moon Christmas Offering goal was $20 million an increase over 1972.

Approximately 50 percent of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign missions. This is the basis upon which sustained advance can be built. Still needed urgently on overseas fields are land, buildings and equipment, amounting to several million dollars.

Won't you pray and give that these needs might be met?

Mrs. O.C. Long

BAPTIST HOSPITAL REPORT

"From the head surgeon to the aide who gave me a glass of water . . . I was cheerfully given every personal consideration" is a recent patient's typical remark at your Baptist Hospital. The fifty-one year old institution, which ranks within the top 10 per cent (in size) among hospitals in the United States, still puts its emphasis upon "ministering with skill and understanding."

However, new approaches are being made in the hospital's ministry to emotional and spiritual needs of the people. The Division of Human Enrichment and Development is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satelite center in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

Changes and additions continue to be made for the purpose of providing better hospital care. The Progressive Care Unit has been renovated, and the South and West Wings of the hospital building are presently being renovated. Completion of the Ambulatory Care Unit is scheduled for the spring or early summer of 1975.

A new discovery, the EMI Scanner, makes it possible to detect brain tumor, blood clots, and strokes more accurately and more quickly is to be installed before the end of this year.

The School of Nursing has been in the process of phasing out for the past three years and it graduated its last class this past May.

In January the hospital increased its room rate for the first time in the past 3 1/2 years. However, because of generous Mother's Day Offerings the hospital continues to operate "in the black." Our 1974 Mother's Day gifts are running ahead of the same time last year. Last years gifts totaled $375,000.

Your hospital staff, and the people they serve, are grateful for your interest, prayers, and financial support.

RELIGIOUS LITERATURE

A house without books is like a room with windows. The love of knowledge comes with reading and grows upon it and the love of knowledge, in a young mind, is almost a warrant against the inferior excitement of passions and vices.

One may obtain knowledge today in varied and numerous ways. The results of reading are spiritual and intellectual growth, as well as developing oneself. We need to read to be informed.

With a mass of religious literature available there is no excuse for being shadowed by the darkness of ignorance and sin. Our BIBLICAL RECORDER with its information concerning many phases of our work as a State Convention is constantly seeking and performing a significant service for Baptists of North Carolina. The Recorder belongs to the North Carolina Baptist life and it is important for each church to make it available to every church family.

The Bible is our most important source of inspiration and information but it should be followed by the reading of other Christian literature. Every Christian should make an effort to own at least one good Bible commentary and general work by competent authors to help us grow and prepare to be good sowers of the seed. They not only help us to grow in Christ but they keep us informed of our Baptist work, and as informed Baptists we will be better working Baptists.

C.R. Vann

CHRISTIAN EDUCATION

A very critical and difficult time faces our Baptist Colleges in North Carolina. With inflation and the high cost of day to day operation, we need to deepen our partnership relation through our Cooperative Program in undergirding the purpose and program of our Baptist Colleges across North Carolina. In these days, our Baptist colleges are determined not to lower the quality of education, but are committed to recuiting teachers and professors who are committed to the high quality of education that has been and continues to be taught on campuses of our Baptist colleges. Your Baptist colleges make a special effort to recruit North Carolina Baptist students. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches across the state.

The Southern Baptist Colleges are grateful for the continuing financial support which they receive through the Cooperative Program during the year 1974. Let us continue to relieve a part of the financial burden, not only through our Cooperative Program, but in our church participation in providing student financial aid on Baptist College Scholarship Offering Day. We urge more of our churches to enter into this partnership relation as our Baptist colleges deal creatively with our young people in the name of our Lord.

STATE MISSIONS REPORT

North Carolina is a mission field. It always will be because there are people to be won to Christ, and Christians to be trained.

Baptists have a special interest and responsibility to the 5,028,000 people in our state. We represent one-half of the church members in North Carolina. To aid our work we have 51 different ministries that make up our "State Mission" effort. These ministries include: aid in establishing new churches; a deaf ministry; resort ministry; Fruitland Bible Institute; the chaplaincy ministries; interracial ministry; Baptist Youth Corps; campus ministry (BSU); camps Caraway and Caswell.

Others include seminary extension centers; assisting City and Metropolitan Ministries; Goodwill Centers; Indian mission work; Literacy work; Migrant Missions; Family services; and others.

So broad is our base for "State Missions" that it is rare to find a city, town, or rural area that has not been influenced by "State Missions."

Let us always keep in mind that the first point of a strong mission program begins at home. Therefore, let us include in our church budget an item for "State Missions," and support the special offering each year in September.

Reverend James Stamey

SOCIAL ACTION REPORT

What in this world are you doing? Are you getting involved in helping to meet the real problems of the world (our part of the world, the Chowan Association)? There are so many social ills that demand our concern, our help through participation and involvement in the sharing of God's love. There are those in sinful bondage of liquor, illicit sex, profanity, pornography and drugs. Those ravaged by disease, poverty, malnutrition. Senior citizens and children from broken homes who have serious and special needs. We have seen these listed time after time and not much is done to relieve these.

We live in a changing world. The world of our children is as different from the world of our childhood as the world of Julius Ceasar was from the world we were born.

in. The church today must come to terms with change so that it can minister to a changing people in a changing world. Southern Baptists' theme for the year ahead is "Share His Love Now." This speaks of God's love for all people, sharing the good news, a sharing by deed and word.

What in the world CAN you do? Pray - we need to pray daily for greater love and understanding for those who need our ministering and witnessing.

You can share:

a heart through which Christ loves
a voice through which Christ speaks
a hand through which Christ helps
a mind through which Christ thinks

We CAN help those in need to know that only a Christian faith can give a person a truly transformed life. "For God so loved the world that he gave his only begotten Son that whosoever believeth in Him shall have everlasting life."

We CAN reach out in Christian love to those with special needs in our communities. Christ has no hands to minister, no lips to speak and no feet to go but ours. Yours and mine. Jesus has said, "I am the way, the truth and the life." If we are to follow Jesus' example in social service we must show the WAY by following his example and present the TRUTH, God's urgent good news of freedom from sin through reconciliation and hope, and LIFE through sharing in worship and work. In this changing world the message remains the same but the methods vary as the Holy Spirit leads to meet the needs of humanity all around us. The news of God's love still has top priority and power but the sharing requires new ways of presenting. Jesus says, "In as much as ye have done it unto one of the least of these, ye have done it unto me."

BAPTIST CHILDREN'S HOMES REPORT

Child care in Eastern North Carolina can well be characterized as "A Shared Christian Adventure." We are sincerely trying to practice the theme of our 1974 Alumni Homecoming at Kennedy Home, which is "Doing the Will of God."

A part of our Christian strength comes through the close relationship we seek to maintain with the Baptist churches and individuals who pray for us and support us in a variety of ways. You, in the associations, have helped us retain this warm fellowship by visiting our campuses at both Kennedy Home and Odum Home; by allowing us to visit with your pastors and their wives in special meetings to explain our program; by opening your homes and churches to our tour choirs on special occasions; and by keeping up with our many activities through the pages of CHARITY AND CHILDREN.

You will be glad to know that our campuses are operating at capacity; that our foster homes are full; and that our children are making good use of their opportunities. A new cottage for twelve children and two staff residences will be completed by the end of the year.

Because more and more troubled teenagers are being referred to us for care, we have started a new program on the Kennedy Home campus. Limited to only eight boys, it is designed to help them work through some of their deepest troubles by using the principles of group therapy.

Our farm-food program continues to be of vital importance. Although feed and fertilizer cost have risen tremendously, the Lord has blessed us with a good season and all of our cottage and staff people are preserving as much food as possible to fight the rising cost of inflation.

A special campaign is in progress to increase the services available at Odum Home. Support for a recreation building and two family-style cottages is being sought

in a nine county area surrounding Pembroke. A year ago our first campus integration occurred, with the placement of a Black child at Odum Home. Our success in involving and ministering to Black children has continued at Kennedy Home in 1974. The program of therapy at the McNeill Cottage, located at Indian Beach, continues to be one of the meaningful benefits which all of our children in group care homes enjoy.

We desperately need your prayers and loving support as we face the pressures of an uncertain economy, rapidly spiraling costs, and the need to serve children whose personal problems are most intense.

"The Mountain Within" is a 30 minute documentary film concerning the work of the Baptist Children's Homes across the state. You will want to see this film. It is available to churches and other groups upon request from: Baptist Children's Homes of North Carolina, P.O. Box 338, Thomasville, NC 27360.

TEMPERANCE AND MORALS

Thanks to the Christian Action League of North Carolina and the support given it by the people of the state - liquor by the drink was defeated last fall.

We are proud that over 70% of the vote went in our favor and that we carried 97 of the counties in the state. But we should remember, we only won a battle not the war.

Recently in "The Presbyterian Journal" an article by Norman Herbert entitled "The Sin of Gluttony" had this quote, "A hungry world stands on the periphery - And ask of the drinker - How many bushels of grain make a gallon of alcohol?"

Thanks to several readers of the BIBLICAL RECORDER we have an answer.

Parade magazine, the Washington Publication, says that the amount of grain and other food products used in making alcoholic beverages in the U.S. amounts to 16,000 tons daily. The Parade item said that this was enough grain to feed a half million people in South Asia for a year.

We are living in what is called the most civilized, educated and Christianized nation in the world, yet we here in the United States are spending at the rate of 3.1 million an hour for alcohol. This amounts to something over 26 billion a year. Is it any wonder we have 20 billion a year crime bill? Is it any wonder so many of our children receive no religious instruction in church or home? No, it is the price we pay for placing material gain and satisfying selfish desire for pleasure above the well-being of our fellow-man.

HOMES FOR THE AGING

As Americans we contribute to many various and worthy causes during the course of a year. As Christians we particularly contribute to mission causes. As Southern Baptists each of us strives to cooperatively serve the cause of missions through national, state and associational channels of giving.

Each year our state convention encourages us to freely give to the major causes of mission. One of these is our statewide offering to North Carolina Baptist Homes for the Aging. This worthy mission endeavor however, is often overlooked and overshadowed by the pressing needs of the other major statewide mission concerns. I wonder though if we have done more than our part?

It is true that at least 80% of the persons who live in our Homes for the Aging are financially needy persons. These senior citizens of God's Kingdom benefit directly from the freewill love offerings of North Carolina Baptists. North Carolina Baptists have, for over 23 years, been helping hundreds of older people have richer and more meaningful lives.

Through us God has channeled His love by providing needed homes for these friends. During the past year a sixty home has been decided upon. It will be located in Asheville on the twenty-one acre Pearson Estate. This beautiful site will overlook the city of Asheville and will be set against the background of the Blue Ridge Mountains.

With the spiraling cost of living, the enormous and ever increasing needs of these friends and the proposed addition of this sixth home, it is urgent that we as God's people give as we have never given before. It is because we care for these often forgotten people, that we give lovingly and cheerfully to make their lives happier and more secure.

The love of Jesus Christ both impels and compels us to give sacrificially. Our ministry of reconciliation is a direct ministry to the Master whom we serve. The need, the task, and the challenge are before us. How we respond will make the difference in their lives.

"And the King shall answer and say unto them, Verily I say unto you, inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25:40)

Michael E. Holdredge

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention paid out a record of almost $16 million dollars in retirement and protection benefits during the year 1973. In the history of the Board it has paid out more than $100 million in retirement and protection benefits.

More than 9,000 retired pastors and other church-related vocational workers or their widows receive the benefits.

The Board set another record in 1973 in that it has about 38,000 pastors and other denominational workers enrolled, and funds held in trust exceed $359 million for the first time.

The Board issued another 13th check, or extra benefit, for annuitants, just before Christmas 1973 which amounted to two extra months' worth of benefits and totaled $1,187,379. This 13th check helps annuitants, whose benefits are fixed, to meet the rising cost of living, and it is over and above the twelve contracted monthly benefits and depends on yearly investment income.

Officials of the Board and market experts expect the investment picture to grow brighter for 1974 than it proved in 1973 when investment declined $10 million dollars.

In an effort to continue earning from real estate investments, the Board announced a new type of Plan C investment called land equity loans. Plan C is the Board's variable benefit plan, which supplements the basic retirement program, called Plan A, for ministers.

Presently there are 46,744 members in all three of the Plans which the Board offers for retirement.

Additional information on the Annuity Board may be obtained from Development Office, SBC Annuity Board, 511 North Akard Building, Dallas, Texas 75201.

STEWARDSHIP-COOPERATIVE PROGRAM REPORT

More than 5,000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of these have a basic ministry of evangelism, with all of the others using their skills as nurses, teachers, doctors, etc. to meet human needs in order to bring these to Christ. Through the Co-

operative Program you are helping the widow, the homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when your are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year, 1,236 churches increased Cooperative Program giving by 10 per cent of more over what they gave the previous year. Two of the associations in North Carolina had 100 per cent of their churches giving through the Coooerative Program in 1973. These two associations were: Flat River and the Tar River.

WILL YOU DO THREE THINGS?

1. Will you lead the church where you serve to increase Cooperative Program and Associational Mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program EACH MONTH to the Baptist State Convention of North Carolina, Post Office Box 26508, Raleigh, North Carolina 27611?

Respectfully submitted,
George H. Cooke
Stewardship and Cooperative Program Representative

MINUTES OF THE APRIL 9, 1974 W.M.U. MEETING

The Chowan Association W.M.U. convened for the sixty-ninth annual session on April 9, 1974 at 10 A.M. in the Rocky Hock Baptist Church. Mrs. Frank Barnes, Director, presiding using the theme "Sharing the Word."

The morning session opened with the hymn "Word of God, Across The Ages" led by Mrs. Larry McClure of Rocky Hock accompanied by Mrs. Mary Alice Riddick of Rocky Hock at the organ and Mrs. John Allums, Edenton, at the piano. Mrs. Wilbert Hare of Ballard's Bridge led the morning meditation using scripture from John 1:1-14 and adding remarks concerning the Word becoming flesh so that we in flesh could understand. Following prayer led by Mrs. Hare special music was brought by Mr. John Allums of Edenton Church who sang "But Still He Loved Me" accompanied by Mrs. Allums at the piano.

Warm words of welcome were expressed by Mrs. O.C. Long, Jr., Director of Rocky Hock W.M.U., who also made announcements for the day. In response Mrs. Cecil Basnight of Elizabeth City First Church expressed gratitude to Mrs. Long and the people of Rocky Hock.

Mr. Billy Jackson reported a successful year at Camp Cale and plans for the coming season with most of the staff hired. He commented on plans for future expansion to accomodate associational meetings.

Following recognition of visitors, past presidents and pastors, and singing the hymn "Wonderful Words of Life" two very impressive skits were presented. The first was by the Rocky Hock B.Y.W. in which the members portrayed 4 year olds asking questions of their teacher about the hows and whys of B.Y.W. and her answers plus a drawing of the characters. Hopefully this will encourage the organization of more B.Y.W.'s. The second skit showed two women, Mrs. Elton Byrum and Mrs. Thomas Robertson of Eureka Baptist Women, as they discussed the Giant Steps of membership and literature and compared the attempts to those of weight-watchers. Both take a lot of hard work to see desired results. We all need to be giant-steppers.

In the business session Mrs. John Stillman, B.Y.W. Director announced that the group had organized, and have planned a meeting for June 21 in the Edenton Church. Mrs. Barnes reminded the congregation of several other dates from the calendar-of-events. She also called attention to the treasurers report in their hands which showed

a balance of $754.45.

Mrs. Barnes introduced the morning speaker as a "real live missionary." Mrs. Ronald C. Hill, who is a missionary to Thailand, spoke on "Sharing the Word in Thailand." She talked of their work (Mr. and Mrs. Hill) in a land that is small, but heavily populated, and increasing at the rate of about a million a year. Many are still in darkness there. She read from the Living Bible 2 Cor. 4:1-6 and stressed that we all share the task of taking the Word. She quoted William Carey who said, "I go into darkness, YOU hold the ropes." Her speech contained many instances in their lives, some in which light came through and the many in which there is still darkness.

The morning session closed with the benediction and blessing by Reverend Larry McClure, pastor of the host church.

The afternoon session opened at 1:30 P.M. with the hymn "Send the Light." Scripture from Acts 13 and 14 was read by Mrs. Roy C. Williams, Sr. of the Creswell Church. Following prayer by Mrs. Williams special music was brought by Mrs. David M. Aydlett of the Shiloh Church who sang "Where You There" accompanied by Miss Denise Gregory at piano also of Shiloh.

Gratitude for the efforts of all who made the day a success was expressed by Mrs. J.M. Bratten of Poplar Branch Church.

Mrs. Raymond Roberts extended an invitation to meet at Providence Church on April 8, 1975.

Mrs. T.O. Asbell, chairman of the nominating committee presented the following slate of officers for 1974-75.

Director ..... Mrs. Frank Barnes, Corapeake 27926
Assistant Director ..... Mrs. Joe Thorud, Edenton 27932
Sec. & Treas. ..... Miss Hulda Wood, Hertford 27944
Bapt. Women Director ..... Mrs. Royce Vickers, Hertford 27944
B.Y.W. Director ..... Mrs. John Stillman, Roper 27970
Acteen Director ..... Mrs. Frank Rountree, Corapeake 27926
Girls in Action Dir. ..... Mrs. A.L. Godfrey, Jr., Hertford 27944
Mission Friends Dir. ..... Mrs. Gilbert Hare, Tyner 27980

These were duly elected and the prayer of dedication was led by Reverend Robert Gray, pastor of Edenton Church.

Mrs. John Stillman of Oak Grove Church introduced the afternoon speaker, Miss Nancy Curtis, State Baptist Young Women Director, who spoke on "Sharing the Word in North Carolina." She used scripture from John 1:14 and stressed that we be the flesh through which the Word is shared. We need to share with both the lovely and the unlovely because God loves both. We can share by giving, praying, being faithful and putting God first.

After singing the hymn, "God of Grace and God of Glory," Mrs. Barnes closed the meeting with remarks of gratitude and prayer.

Attendance was approximately 275 and collection totaled $124.05.

Respectfully submitted,
Mrs. Frank Barnes, Director
Mrs. Joe Webb, Jr., Sec. and Treas.

SUNDAY SCHOOL REPORT

We are happy to report that there has been an overall gain in Sunday School enrollment for the third straight year. Even though it is slight, it is better than the previous seven year loss. Interest in the Sunday School is gaining momentum, and we are beginning to see the results. Teacher and Officer training programs are being started, prospect cultivation and visitation ideas are being practiced, and the Bus Ministry outreach is being used. These are adding up to more and more for Bible study, and church membership.

Our Adult thrust this year was very effective, and our seven area Adult clinics went over very successfully with over 200 in attendance. We wish to thank our seven Directors of these clinics for a job well done.

From the reports received we also had a good Vacation Bible school year, and our clinic held at the Hertford Baptist Church was well attended, and we want to thank our faculty for the associational clinic for helping our VBS leaders to do such a fine job.

We are now looking forward to another year of Sunday School work for the Lord, and trust that every church will do their very best in reaching people for Bible study.

Respectfully submitted,
Ralph W. Knight
Sunday School Director

23. William Martin presented the Church Training Report and moved its adoption. The motion was seconded and carried.

CHURCH TRAINING REPORT

The churches of today face one of the greatest challenges in world history all around us we see the evil forces of spiritual darkness gathering. One needs but read the daily newspaper to realize the spiritual agony of our nation. Part of the answer to the meeting of this challenge is to have a

well informed and trained people armed with the knowledge of God's truth.

We need men and women filled with enthusiasm for the cause of Christ, ready for the Master's service at all times.

Our church training program is a must. Many of our churches rest in darkness on Sunday night - a time when they should be obeying the marching orders in God's Word, II Timothy 2:15 - "Study to show thyself a workman approved unto God, a workman that needeth not to be ashamed rightly dividing the work of truth."

Here and there we see the light of Church training shining through the darkness.

It is my prayer that every church in the Chowan Baptist Association will rise to meet the need and let their light shine forth every Sunday night in a Church Training Program.

Respectfully submitted
W.E. Martin

24. Mrs. Frank Barnes presented the WMU report and moved its adoption. The motion was seconded and carried.

WOMAN'S MISSIONARY UNION

One of the highlights of our WMU year was the annual meeting held at the Providence church in Shawboro on April 8. Mrs. W.O. Hern, missionary to Lebanon was the featured speaker and Mrs. Gilmer Cross State WMU President spoke at the afternoon session.

Most churches have had their graded series studies, observed Weeks of Prayer and Baptist Women's Day of Prayer. There were 12 Prayer Retreats held in local WMU groups. The Associational Prayer Retreat was held at Camp Cale on September 23 with 95 attending.

The Lottie Moon Christmas Offering and Annie Armstrong Easter Offering far exceeded the goals and the Heck-Jones Memorial Offering was the greatest in the history of many of our churches.

The Day Camps at Camp Cale were excellent and well attended. They were well planned and directed. A Girls in Action gathering was held at Camp Cale with Rev. George C. Harbuck, Jr., missionary to Paraguay speaking, and a Missions Fair at Edenton in March.

The two Associational Acteens meetings were held at Corinth church with Rev. and Mrs. Henry Stough who had served on mission fields in Ghana, Africa with their daughter and her missionary doctor husband shared experiences. Also in March at the Hertford church Rev. and Mrs. Neal Peyton missionaries to the deaf in N.C. Challenged the girls to share Christ more effectively among handicapped persons, especially their neighbors of the silent world. Connie Arnold of Sandy Cross and Annette Partin of Edenton have been recognized as Queen Regents in Service in 1974-75.

On May 17 at Camp Cale there was a BYW Getting to Know You Gathering with Rev. Charles Beckett, missionary to Bangladesh showing slides and telling of mission work in this area of our world. We now have 16 BYW's in our Association of which we are very proud. Baptist Young Women will have special emphasis and recognition in the coming year 1975-76.

WMU members have observed Focus Week in February with Love Thy Neighbor banquets, have contributed to the Migrant Ministry and have given recreation equipment to Camp Cale.

The Leadership Conference at The First Baptist Church, Elizabeth City on September 16 was well attended and we trust will prove helpful to all leaders who attended.

With prayerful hearts we accept the challenge of a new year of WMU work. As we look ahead to this year, 1975-76 with its opportunities for service I covet your prayers.

Respectfully submitted,
Mrs. Frank Barnes
WMU Director

25. Bond Sawyer presented the Brotherhood report and moved its adoption. The motion was seconded and passed.

BROTHERHOOD REPORT

Today many people are totally lacking in self-confidence, honesty, faithfulness, intergrity and truthfulness. This brings about an attitude of not caring whether something is right or wrong but what is profitable for me, and is it expedient or what can I get away with or will I get caught. Does this sound like complacency or greed or both? Does this type of attitude exist in in your church or just in the people outside of your church - or both? Do you want future generations to inherit this philosophy or should we correct it now?

There is a remedy as God points out in the 16th verse of Isaiah, Chapter 1. "Wash you, make you clean, put away the evil of your doings from before mine eyes; cease to do evil."

A truly active Brotherhood program within each church could alter the course of this negative philosophy if applied in a God-like manner. The Brotherhood of a Baptist church (Comprised of Baptist men and Royal Ambassadors) is the key toward educating the men and boys in mission study and mission action. Does your church have an active Brotherhood unit? Should it? Of the 57 churches in the Chowan Association, only 25 have Brotherhood programs. Of these 25, 11 are without Brotherhood units. All of our churches should have Brotherhood programs with an emphasis on R.A.'s. The young of today are the leaders of tomorrow. That's something to think about!

Again this year, we held a Regional Brotherhood Workshop at Edenton Baptist Church on September 24, 1975, with representatives from both the Chowan and West Chowan Associations.

Mr. Fahey Harrell attended the Regional Planning meeting held at the Edenton Restuarant on April 14, 1975, and also the Brotherhood Workshop held at Camp Carraway on August 15, 16, 1975.

The R.A.'s have had a good year with the R.A. track meet and the addition of an interchurch basketball league. The R.A. track meet was held in Elizabeth City on April 26, 1975, with the Gatesville, Berea, Salem, Rocky Hock, Hertford and Corinth churches participating. Hertford won the 1st place trophy for total overall points: Berea was 2nd and Salem 3rd.

The State R.A. track meet was held at Gardner - Webb College on May 23, 1975, with Hertford, Berea and Salem churches participating.

We had an interchurch R.A. basketball league this past year with the following churches taking part: Berea, Hertford, Sunbury, Reynoldson, Gatesville, Whitestone Friends. Each of the R.A. age groups were represented and the winners were: Whiteston, 9-11 age group, Reynoldson, 12-14 age group and Gatesville, 15-17 age group.

Basketball will be continued this year under state R.A. guidelines.

Please contact Mr. Fahey Harrell or Mr. Mike Aydlett for information or help with your Brotherhood Program.

Respectfully submitted.
Fahey Harrell, R.A. Director
Mike Aydlett, Brotherhood Director

26. Billy Jackson presented the Camp Cale report and moved its adoption. The motion passed.

CAMP CALE REPORT

A sense of pride should be the feeling of all who had a part in Camp Cale this year, whether it was cleaning up, repairing or helping someone to

know more about Christ. We are grateful for a fine staff of dedicated young people who worked hard to see that the total welfare of the campers was taken care of each day. Twenty-six campers accepted Christ, and several more of them rededicated their lives to Him. This kind of response makes it all worthwhile.

Attendance was good each week, except the two weeks for 9, 10 and 11 year-old boys, who were busy in their communities playing ball and other activities. They will have only one week next summer. The 9, 10, and 11 year-old girls had a full camp both of their weeks.

The camp council have set dates for work days meetings and camping schedule for 1976. We hope each church will display a copy of this through July, 1976. Should a work day fall on a rainy Saturday the next fair-weather Saturday will be the workday. There is to be three work days, March 13, April 10, and May 15. Please check the schedule poster for the type of work and tools to bring. If you don't have tools, just come on down.

Last year a resolution was posted to have a Camp Cale building fund. This fund is slowly growing. May we focus our attention on this phase of development, and hasten the day when the Lodge Building can begin to take shape. This building will be programmed the year around for retreats, clinics and various church and associational activities. even the annual meetings.

The camp council, not thinking competitive, but to draw your attention closer to the value of Camp Cale to our association in relation to other camps. Camp Caraway, our State Brotherhood camp, located in the western part of the state, is a long drive to take our boys. Camp Mundo Vista, the W.M.U. camp for girls is just across the highway for Caraway. Camp Truett, supported by six associations, comprised region 10. Camp Cale, serving 10 counties and could serve more, in a far better setting, offers the ideal potential for camping and all other church related programs. May we realize the value of what we have and develop it for Christ and His church.

Respectfully submitted,
Billy Jackson
Camp Council Chairman

EVANGELISM REPORT

All churches will receive Proclamation '76 Calendar booklets for 1975-76 as well as other revival materials. Each association is encouraged to plan a Simultaneous Revival in the churches during the Spring (April or March) of 1976. If it is not feasible to have association-wide simultaneous revivals, perhaps it could be done within the counties.

"Be Reconciled to God and Man" was the theme of the 29th State-wide Evangelism Conference at War Memorial Auditorium, Greensboro on February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

About 14,000 youth, pastors, and adult leaders attended the 5th State-wide Youth Evangelism Night at the Greensboro Coliseum, Christian youth continue to share a strong witness for Jesus Christ across our State.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Revival Weekends and Renewal Evangelism. More of our churches might want to consider one of these weekends as a part of your renewal and outreach.

The Pastoral Ministries Workshop and Deacon Training on May 5 and 6 again proved to be a time of study and revival. We anticipate many shared blessings from the lives of those who attended these workshops.

Prepare now to involve many of your lay people in the 39th State-wide Evangelism Conference to be held at the Civic Center Auditorium in Asheville on February 2-4, 1976.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and the world.

Respectfully submitted,
Larry McClure
Chairman of Evangelism

ANNUAL AUDIT REPORT

This is to certify that I have audited the books of the Association, as kept by Earl G. Harrell, Treasurer, and find them in good order. I do also certify that the foregoing report represents the business of the Association

for the year ending September 30, 1975 and that it is correct as stated.

44. Glenn Greenway presented Miss Faye Nelson and Mrs. Phyllis Stick who spoke on the Circus Tent Ministries. Also presented was Mrs. Ann Basnight who spoke concerning Migrant Ministry. Following this presentation Brother Greenway presented the report of the Missions Advisory Committee and moved its adoption. The motion was second and carried.

MISSIONS ADVISORY COMMITTEE REPORT

The work of the Missions Advisory Committee has related to six areas of Associational interest, opportunity and responsibility during the 1974-75 year. The areas are: (1) The Associational Office, (2) The Migrant Ministry Program, (3) The Circus Tent, Inc., (4) The Universal Trailer Park in Moyock, (5) A Joint Study along with the finance committee as to the feasibility of calling, or employing an Associational Superintendent of Missions, and (6) Working in a supportive and Advisory way to the Geneva Baptist Church in the establishment of a new Mission church in the Moyock area.

1. The work of our Associational Office was evaluated this past year with regard to operational cost, policies, procedures and provisions of the office, and due to the economic situation a quest for cheaper office space was conducted. But in light of the possible employing of an Associational Superintendent of Missions (discussed below in this report) no changes in the office were made, and we continue in our gratitude to Mrs. Paulett Lane for the fine job she continues to do in the office.

2. The Migrant Ministry Program of our Association is under the leadership of Mrs. Ann Basnight, and our role has been in support of her plans and program. Mrs. Basnight will speak to, and give a report on this work and the money budgeted by the Association for this program. Mrs. Basnight is a member of the Missions Advisory Committee.

3. The Circus Tent, Inc. with the Showboat Puppet Ministry continues to be one of the most fruitful endeavors of our local mission efforts. Our Association and the State Convention contributes $1,250.00 plus to that ministry. A brief report from the past summer program shows that some phase of the ministries reached almost 65,000 people. These ministries include the Tent, programs at campgrounds and motel, in churches and nursing homes and spans a contact range from Myrtle Beach, S.C. to Wilmington, Delaware, to Huntington, West Virginia.

4. Again this year we placed a Baptist Youth Corp Worker in the Universal Trailer Park at Moyock. He was a Campbell College freshman by the name of Randy Bryant, and worked directly under Rev. Brian Tiffany and the Moyock Church. Rev. Tiffany is also a member of the Missions Advisory Committee.

5. The Executive Committee instructed the Missions Advisory Committee and the Finance Committee to jointly do an in-depth study (of our Association) with regard to the need for an Associational Superintendent of Missions. This study has become a most involved task, and for weeks now the two committees have been working with Dr. Howard J. Ford, Director of Mission Ministries of Baptist State Convention; we have gathered and correlated budget information from some 25 Associations across the state; we have met both separately and jointly in compiling the information and materials; we are presently in the process of relating to each pastor and church council member of the 57 churches a packet of materials relative to our findings, plus a questionnaire which will give each church ample opportunity to express the wishes and interest of the people. While it seems a slow process to some of us our committees are assured by the state office that we are wise in working in a deliberate manner.

6. Lastly, a new mission work has been started in the Moyock area, and

has chosen to be mothered by the Geneva Baptist Church of which Rev. Lyndell Stikes, Jr., is pastor. The new mission has been designated The Great Love Baptist Mission. Our Missions Advisory Committee has met with brother Stike and the representatives of the new mission, and stand ready to assist where we can through the Geneva church. We have contacted our state missions personnel as to possible aid from that agency, but must work in our interest through the mother church. We prayerfully hope that this work will develop into a great work for our Lord and for our Association.

Respectfully submitted,
Glenn D. Greenway, Chairman
Missions Advisory Committee

45. The congregation sang the hymn "God of Our Fathers."
46. Jerry Beck led the devotional period in the reading of Hebrews 10:16-24 and in prayer.
47. Mrs. Billy Presley sang the solo "Have Faith in God."
48. B.E. White, Jr. delivered the annual message "Responsible Freedom."
49. This session was closed with prayer by Daniel Bray.

WEDNESDAY AFTERNOON

50. The Moderator called the afternoon session to order.
51. The congregation joined in singing the hymn "My Country 'Tis of Thee."
52. Michael Holdredge led our devotions in reading from Amos 5 and Luke 4:17-18 and led in prayer.
53. Donald Downing presented the solo "Once To Every Man and Nation."
54. Tom Freeman completed the Bible study with the theme "The Proclamation of Freedom."
55. The congregation joined in singing the hymn "As Ye What Great Thing I Know."

REPORT OF STANDING COMMITTEE
STATE MISSIONS REPORT

Southern Baptists' compassion for world missions must also include the real needs of our own counties and state. State and associational missions are indeed part of the world mission imperative. Without neglecting distant lands, we must continue to build a strong state missions program throughout North Carolina.

State missions can be divided into two major categories: (1) strengthening ministries and (2) lengthening ministries.

Strengthening ministries help develop local church organizations such as Sunday School, WMU, Church Training, Brotherhood, etc. These programs enable local churches to realize their own mission potential. Workshops, seminars and conferences are conducted throughout the year for the development of local church programs.

The second type of state missions are those ministries that lengthen the local church's witness. These are cooperative efforts requiring the resources of more than one church or association. Examples of these programs are resort missions, deaf ministries, chaplaincy ministries, city and metropolitan missions, church loans and lot aid, seminary extension, migrant missions, etc. Many of these ministries are co-sponsored by district associations and the Southern Baptist Home Mission Board.

All state mission ministries are in some way cooperative efforts of local churches and associations. Church and associational development, infact, is one of the primary goals of state missions in North Carolina. The purpose is to build strong "mission stations" across the state as a foundation for the overall support of world missions, christian education, and benevolences.

State missions in North Carolina is supported by the Cooperative Program and the annual State Missions Offering in September.

HOME MISSIONS REPORT

The Home Mission Board is active in all fifty states, Panama and Puerto Rico. Home missions presently employs about 2,200 full-time missionaries, staff and office personnel. In addition, the agency assists nearly 6,000 special workers like youth groups and choirs, student summer missionaries and Campers on mission. The Board also endorses more than 900 chaplains not counted in the missionary force.

Approximately 1,000 missionaries are involved in language missions, and 250 are associated with Christian social ministries. Some 60 US-2'ers serve on home mission fields. Between 350 and 400 pastors receive church pastoral aid.

One half of home missions financial support is provided through the Cooperative Program, and the other half comes from the Annie Armstrong Easter Offering.

These figures are for 1973 but they will help us to see the need. The home mission budget exceeded $16 million. Approximately $1,900 is required to operate home missions for one hour and the cost for one minute is nearly $32.00

The primary purpose of home missions is to cross the barriers that come between people. This may be language, ethnic groups or many other things. The Home Mission Board is striving to cross over these barriers.

Because of financial restrictions and the high cost of living the board is limited to the number of missionaries they may have. So we need to be about the task of missions in our communities. We need to take up where they are limited and spread the gospel of Jesus Christ.

I would encourage you to stress home missions and give as freely as possible. By doing this we may be able to have more missionaries and more outreach. We can only meet the demands by working together for missions. Pray for God's guidance as we give and to the missionaries as they go forth.

Respectfully submitted
Jerry V. Beck

FOREIGN MISSIONS

God has blessed remarkably in worldwide missionary labor. Southern Baptist now have more than 2,600 missionaries serving in 83 countries.

In spite of many crises, missionaries and national Christians continued making significant progress in response to world needs.

The Foreign Mission Board in 1974 added five new missions fields. Significant increases in numbers of church members, churches, and baptisms were recorded on mission fields in 1974. Church membership increased by almost 30% in churches and mission points. Baptisms had a 15% increase reflecting the results of several special evangelistic emphasis.

Two hundred and fifty new missionaries were appointed in 1974, the second largest group to be appointed in a single year in the history of the Foreign Mission Board.

Financial support by Southern Baptists through the Cooperative Program and the Lottie Moon Christmas offering has an 11.40% increase over 1973 totaling $41,359,127.00.

The budget for 1975 calls for more than $45 million, an increase of $5 million over the previous year.

Only by working cooperatively under God's leadership can we realize our ultimate goal of bringing people in all nations to a saving knowledge of Jesus Christ.

REPORT OF CHRISTIAN EDUCATION
(Full Report in 1975 S.B.C. Annual)
By Dr. Ben C. Fisher

"The Education Commission developed a new and significant relationship with the Foreign Mission Board to offer professional services to overseas educational programs, and adopted a six-point program to encourage a renewed interest on Baptist campuses in Foreign missionary commitment and service. Also assisted the Foreign Mission Board in recruiting Baptist teachers on sabbatical leaves for overseas teaching assignments.

Developed new programs of cooperation with the Baptist Sunday School Board in general recruitment of vocational Christian workers and improvement of techniques for recruitment at summer assemblies; completed plans for cooperating with Baptist Sunday School Board for 1975 in a nation-wide student recruitment effort for Southern Baptist colleges. Distributed to the Baptist colleges the names of young people who signed commitment cards at the assemblies saying they are interested in exploring church-related vocations.

Completed internal self-study of office management with the aid of professional consultants.

Reorganized the Education Commission members into standing committees with the aim of involving every Commission member in evaluating and carrying out the Commission's Program Statement.

Achieved a long awaited breakthrough in cooperation between Southern Baptist colleges and seminaries on credit transfer, particularly in the area of religious education.

Held the third annual workshop for Baptist college admissions officers which resulted in a record-breaking attendance of ninety persons. Subjects for special emphasis were: Recruiting the Vocational Christian Worker, and Responsibility of the Baptist College for Influencing Student Conduct.

Provided consulting teams for state education committee chairman.

TEMPERANCE AND MORALS

Our many churches who continue their support of the Christian Action League are to be congratulated. This organization is taking the initiative in opposing alcoholism and pornography in all its forms throughout the state. It is equipped to more effectively oppose these issues than individual churches or small groups.

It is reported that Hyde County has fallen victim to the liquor stores.

Also a second liquor store is now operating in Camden County at South Mills. The pastor, Mr. Brantley Stevens, of Ebenezer Baptist Church and the forty or fifty souls who organized to oppose this establishment, although defeated in purpose, are to be commended for their efford.

It is apparent that a more rigorous unity in effort by our churches is indicated in order to successfully combat such evils.

W. Bond Sawyer

HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. Almost daily aging people or their families call and inquire about admission in one of the N.C. Baptist homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The need of aging people are overwhelming, and we must strive dilligently to meet those needs.

We can minister to 230 persons at any given time in our Baptist homes. Over the past years we have ministered to hundreds of aging people. As God continues His blessings upon this ministry, we can increase our blessings and concern by ever greater giving.

Gifts for 1974-75 through the Cooperative Program and third Sunday of February offerings were very encouraging increases. Four out of every five persons in the Homes depend upon these gifts from these sources for their care and the indications are your Baptist Homes will need greater financial support.

The Baptist people of North Carolina have purchased 21 acres of land in the Blue Ridge mountains area of Asheville, North Carolina for the proposed purpose of a Baptist Home for the aging in the western part of the state.

Plans are in the making now to raise $1,000,000 to build this new home in Western North Carolina. When this is completed the Baptist Homes for the aging of North Carolina will be able to accommodate almost 300 of our aging people.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministering as unto Christ Himself.

Respectfully submitted,
George L. Broome

BAPTIST HOSPITAL

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room. Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who chose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third stellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention, formerly called The Relief and Annuity Board, continues to give assistance beyond and above contractual obligations. In 1974 the Board gave over $216 thousand to 127 ministers and 282 widows. This was over $10 thousand more than the Board received for this purpose.

The Board had its best year in 1974 in spite of the depressed state of the stock market and some investment reverses. Four hundred fifty-five annuitants were added to the rolls, bringing the total number to nearly 10,000. Almost $16.5 million were received in premiums and approximately $15.5 million paid out in checks to retired personnel. Four hundred and thirty-one new churches were enrolled.

Total money received in all the Board's plans amounted to more than $31.5 million. The Board's income from investments and other sources was over $46 million. Total funds of the Board as of December 31, 1974 were $353,445,743 - an increase over 1973 of more than $3 million.

We give these figures to indicate the vastness of the Board's responsibility and service.

All our pastors and other church workers who are eligible should be enrolled in one or more of the Board's plans. No better insurance can be had for the price paid, and no better guarantee can be had for some income and support in retirement years, or assistance in time of crisis, than that provided by the Annuity Board, 511 North Akard, Dallas, Texas.

BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptists can look with pride at the Christian child care provided by the Baptist Children's Homes of North Carolina. Launched 90 years ago, under the leadership of the Holy Spirit and through the life, teaching and ministry of Christ, our child care ministry is today recognized as one of the outstanding ministries of its kind in the nation.

New and exciting developments are in progress throughout the state.

During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

The award winning film, "THE MOUNTAIN WITHIN," meets with praise and appreciation wherever it is shown. Churches are urged to avail themselves of this film. It is available by request, either to the Communications Department of the Baptist State Convention or to the Baptist Children's Homes.

Our child care program is a cooperative mission of our churches. It involves people with a clear, common purpose to which they are committed. Through the Cooperative Program and the Thankgiving Offering, Baptist throughout the state share their commitment to Christian Child Care. In response, the staff of the Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need.

REPORT ON RELIGIOUS LITERATURE

Reading is one of the joys of our daily living. On top of the list is the Bible, the source of our spiritual strength and guidance. As we read, we need the help of those men and women who have been inspired today to write religious literature that will guide us in sharing the gospel to all people. This has been provided for us by the Sunday School Board of the Southern Baptist Convention.

There are five new books in the "Reaching People" series that will aid a church in that task. Books are provided with many ideas for Outreach for every age group in Sunday School. Todays Sunday School is the church in action reaching people for Bible study, for Christ, and Church membership. This may be accomplished with the help of religious literature. Adults and youth have a choice between Convention Uniform series or Life and Work series with many helps for both. "Source" is a new periodical for Adults in Life and Work series. The Sunday School Foundation series offers a Bible-centered way to reach children from birth through eleven, and there is a Bible Survey Series for Youth. Besides "Working in Sunday School", there are now four new age group leader's books updating the previous books for each age division.

There are now many "Bus Ministry" materials to assist your church in an effective bus ministry. Training Union materials as provided for each age group to help members put their faith into practice. The "New Church Member Training Series" are excellent, as well as the WIN (Witness Involvment Now) materials. Others are: The Sunday Night Place, Celebrating the Bicentennial, Church Music Materials, Deacon materials, and magazines for Church Leaders. For the family there is Home Life, Event, Open Windows, and Encounter. We encourage each church to secure "The Church Services and Material Catalog" for a complete listing on the available materials.

We are so fortunate to also have the Biblical Recorder, and Charity and Children, to keep us informed, as well as the help of the American Bible Society.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions

Program at a time when many others are having to reduce their outreach.

The sun never sets on your offering through the Cooperative Program, and it goes to help evangelize, to teach, to heal, as well as preach the Good News of God around the world. Consider how your gifts are used in God's service. More than 5,000 missionaries at home and in over 80 nations abroad receive a salary each month from your Cooperative Program dollar. These are the called of God to go preach, teach, nurse, doctor, and to do many other tasks. They have gone out from our churches to serve God as he directs them. Moreover, the aged, the sick, the widows, and homeless children have been helped by your gifts.

Last year, 1,026 churches increased their gifts through the Cooperative Program by 15 percent or more, and three associations in our state had 100 percent of their churches giving through the Cooperative Program.

To celebrate the 50th Anniversary of the Cooperative Program let us commit ourselves to do four things:

1. Each church increase its gifts to the Cooperative Program by 15% or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute through the Cooperative Program every month.
4. Have a stewardship workshop in the Association.

Respectfully submitted,
George E. Cooke

MINUTES OF THE APRIL 8, 1975 W.M.U. MEETING

The Chowan Association W.M.U. convened for the 70th annual session April 8, 1975 at 10:00 A.M. in the Providence Baptist Church. Mrs. Frank Barnes, Director, presided. The theme of the session was "Share His Love Now".

The morning session opened with the hymn "Love Lifted Me' led by Mr. Donald Downing, minister of music of the Hertford Church.

Devotional meditations were given by Mrs. Herman Hertzog of the Blackwell Memorial Church who centered her remarks on love using scripture from I Corinthians, chapter 13.

Special music was given by Mr. Downing who sang "The Greatest of These is Love".

Mrs. Charles Wellons of the host church gave the welcome and made the necessary announcements.

The response was given by Mrs. C.T. Rogerson, Jr. of the Whiteville Grove Church voicing the appreciation of the entire association to the Providence Church.

Mr. Billy Jackson reported on Camp Cale; he said that plans were now complete to start the lodge building when sufficient funds are avaliable. This would give the association a place to have retreats and other meetings during the entire year.

Mr. Jackson also stated that the summer staff for Camp Cale had been secured and the camping program dates completed.

Mrs. Ann Basnight gave the report and plans for the migrant program.

Each church will be asked to furnish 20 health kits and have them at the designated place by May 28, 1975. Two students have been secured to work in the Pasquotank and Camden migrant camps. Mrs. Basnight stated that the scope of the work will be determined by the interest (or lack of interest) of the churches, especially the pastors and W.M.U. members.

Mrs. Barnes recognized the pastors present - the past W.M.U. directors were also recognized.

"Love Divine, All Loves Excelling" was the offertory hymn.

An interesting and entertaining skit was given by the Reynoldson women and young women promoting the use of the magazines, ROYAL SERVICE and DIMENSIONS.

During the business session the reading of the 1974 minutes were dispensed

with on motion of Hulda Wood, seconded by Ellie W. Vickers and carried. These are published in the Chowan Association minutes.

The assistant director, Mrs. Joe Thorud, announced that Mrs. Robert Gray of Edenton had received approval from the Home Mission Board for 10 young high school people from the Edenton Church to work with Indians in Arizona during the summer of 1975.

Mrs. Barnes Introduced our speaker, Mrs. W.O. Hern, who is a missionary to Lebanon. Her topic "Share His Love Now in Lebanon".

Mrs. Hern gave a most Inspirational and Interesting talk on the different phases of the work in Lebanon which include; high school, English language, social service, Baptist Theological Seminary for all Arab countries, literature and radio. She stated that this is the only Arab country in which there is complete religious liberty.

Mrs. Hern asked - Why Share? - in answering the question she said that, (1) the United States had only 20% of the worlds population but 40% of the worlds natural resources, (2) 20% of the worlds population but 60% of the worlds ordained ministers, (3) she expressed concern that in the next 15 years 25% of the missionaries serving in Lebanon would be ready to retire and asked who would replace them. This situation is probably true of all other fields as well.

In closing Mrs. Hern challenged Christian churches to make young people aware of the worlds need for the love of Christ.

The morning session closed with benedicition and blessing by the host pastor. Mr. Charles Wellons.

The afternoon session opened at 1:30 P.M. with the hymn, "Christ for the World We Sing". Mrs. William Swindell from Manteo read scripture from 2 Corinthians and led in prayer.

Special music was brought by Mrs. Issac Harrell of the Macedonia Church who sang "If This isn't Love".

A prayer of dedication was given for the officers by Reverend Ben Hall.

Mrs. Ellie W. Vickers introduced the afternoon speaker Mrs. Gilmer Cross, State W.M.U. President, whose topic was "Share His Love Now in North Carolina". Mrs. Cross used scripture from 1 john and 2 Corinthians, chapter 5.

She stated that God's love is a gift and showed ways in which W.M.U. could make a difference. She stated that "folded arms cannot reach out".

Mrs. Cross talked about the mission offerings of the church; the Lottie Moon and the Annie Armstrong offering. She stated that the financial backbone of the church at home and abroad is the Cooperative Program offering that the state mission and Heck-Jones offerings were the most important in our own state. The Heck-Jones goal for 1975 is the highest in the history of the offering - $85,000. This is to be used mainly for the expansion of leadership training for all age levels at Mundo Vista. Mrs. Cross stated that this goal could be reached if every Baptist woman would set aside $1.00 per week from now until the offering is taken in June (10.00).

After singing the hymn "Love is The Theme" the meeting was dismissed with prayer by Mrs. Barnes.

The attendance was 211 and the offering collected totaled $143.81.
